FINAL FANTASY VARIANT

PLAY ARTS 改 KAI
ACTION FIGURE

-BAHAMUT-

SRP: $249.99

Release : OCT 2014

THE HEROES OF FINAL FANTASY REIMAGINED BY PLAY ARTS KAI CRAFTSMANSHIP!

With its superior detail, exquisite paintwork and magnificent four-winged appearance, the hearts of people that lay eyes on this piece will be moved – Bahamut. One of the most iconic summon monsters from FINAL FANTASY is reimagined for the signature VARIANT series. We paid special attention to expressing the majestic, deified presence of the "Dragon King." The reptilian scaled pattern that is etched into its entire body accentuates the dignified stature and impressive sculpt work of this figure. Whether posed stalwartly in a divine standing pose with wings extended or ready to fight in an aerial battle stance, Bahamut's presence and power come together in perfect harmony.

S.H.Figuarts®

"A new standard in action figures representing the state of the art of Bandai's design technology. Designed to perfectly mimic the range of motion of the human body, the series name is a contraction of the concepts of ""Simple Style"" and ""Heroic Action."" Standing roughly 14cm tall, the highly posable S.H.Figuarts figures are designed to feel like little treasures."

Sailor Moon

S.H.Figuarts Sailor Jupiter

MSRP:$ 40.99 Aug 2014 15cm STK646336

The daunting and electric Sailor Jupiter will appropriately be the 5th inner senshi to join the S.H.Figuarts Sailor Moon series. Portrayed in luxuriously accurate proportion and boasting superior articulation for recreation of a variety of dynamic action scenes, the S.H.Figuarts Sailor Jupiter deluxe action figure set also features articulated pony tail, interchangeable antenna hair parts, four interchangeable face parts, five sets of interchangeable hand parts and elegant display stand.

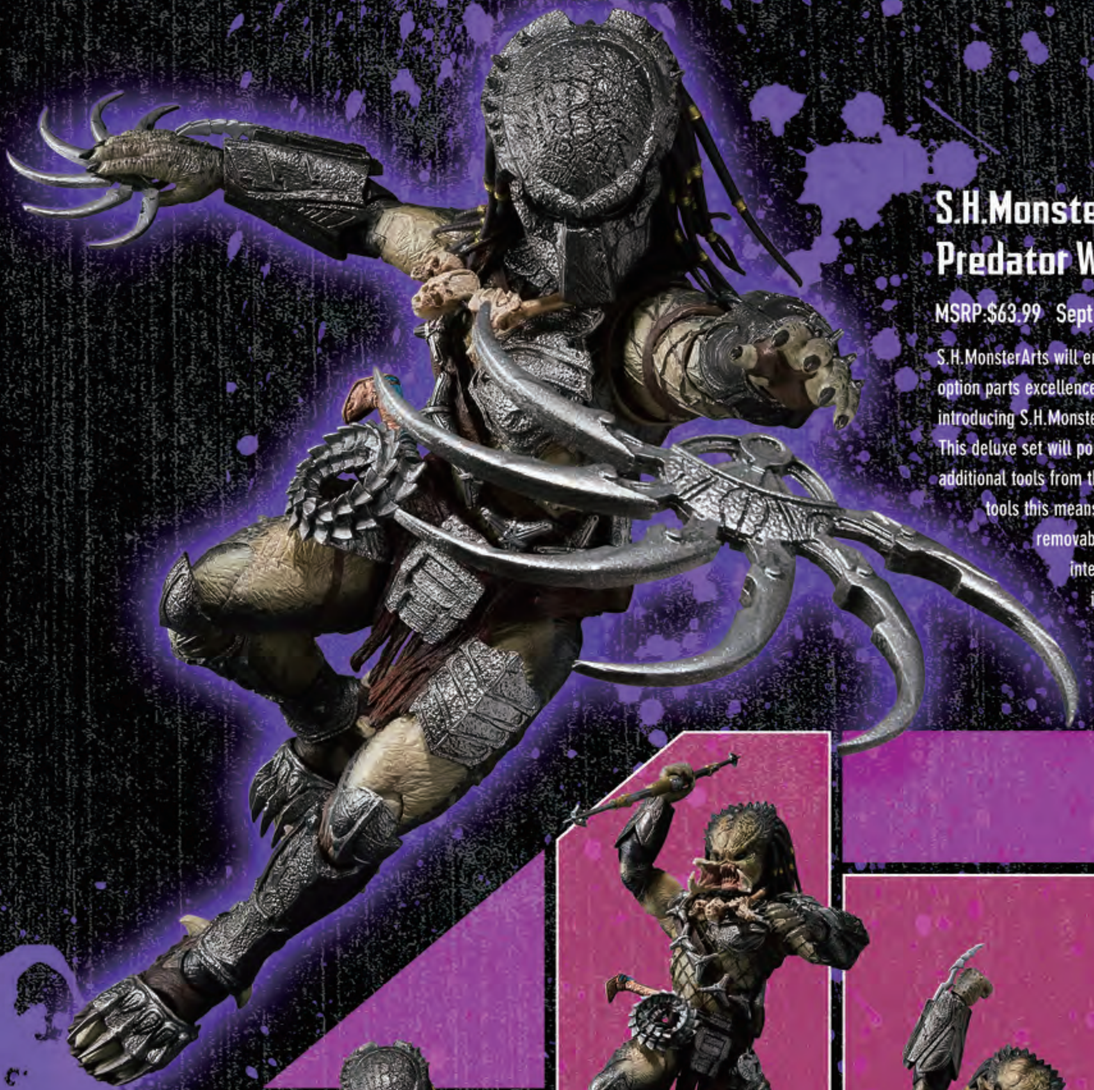
TAMASHII NATIONS®

TAMASHII NATIONS is an umbrella label encompassing Japan's top collectable toy brands. Our logo is designed to represent the cool, fun, and just plain awe-inspiring nature of our products. Our mission is to bring TAMASHII, the Japanese word for soul or spirit, to everything we create.

S.H.MonsterArts

This monster action figure adopts 3 different materials (ABS, PVC, and POM) for the main body. For the "mechanical" monsters, ZnDc (die cast, and zinc alloy) is used to provide metallic texture and weight . Also, articulation points are made of appropriate materials to emphasize the function. The precise utilization of materials enables superior portrayal of each monster's character.

AVP ALIEN VS. PREDATOR



S.H.MonsterArts Predator Wolf Heavy-Armed Ver.

MSRP:$63.99 Sept 2014 18cm STK646337

S.H.MonsterArts will enter a new phase of weapon accessory and option parts excellence via a very appropriate character subject-introducing S.H.MonsterArts Predator Wolf (Heavy Armament Ver.). This deluxe set will portray the character after he picks up additional tools from the crashed ship in AVP Requiem. By extra tools this means the set will feature claymores with removable holsters, two shuriken parts, and special interchangeable hand parts for shuriken use also included. Additionally, set will feature two plasma cannons, big cannon and attachable parts for depiction of broken cannon.

244 – IN THIS ISSUE: Kids Comics Month

Whether you're young or old, regardless of your tastes and interests, there's no denying the appeal of a well written, well-drawn comic book or graphic novel. Our Kids Comics theme for the month points out plenty of great titles available for readers of any age!

FS-3 Indie Edge Extra: James Kolchalka

It's Kids Comics Month here at ***PREVIEWS***, and in addition to our standard Indie Edge feature on page 15 (featuring Kazu Kibuishi, creator of the Amulet series), we've also got an extra-big Indie Edge featuring the American Elf himself, James Kolchalka! Always creating something, James has most recently found great success with his all-ages series Dragon Puncher, Glorkian Warrior, and Johnny Boo, and he talks about these and more on the FlipSide of this issue!

JACK KIRBY'S HERO RETURNS! FROM THE ACCLAIMED WRITER OF IMAGE COMICS' *SEX!*

CAPTAIN VICTORY AND THE GALACTIC RANGERS™

ISSUE #1
AUGUST 2014

WRITTEN BY
JOE CASEY
(SEX)

ART & COVERS BY
NATHAN FOX
(THE HAUNT)

ADDITIONAL ART BY
JIM RUGG AND **ULISES FARINA**

YOUR NEW FAVORITE COSMIC COMIC BOOK HAS FINALLY ARRIVED!

DYNAMITE ENTERTAINMENT: You've just been handed the reins of CAPTAIN VICTORY AND THE GALACTIC RANGERS, the brainchild of the legendary Jack Kirby. What does that mean to you?

JOE CASEY: It means a lot, actually. The original series was a big deal to me as a kid. Having no real knowledge as to what it meant in a political and historical sense – with Kirby doing one of the first creator-owned books for an independent publisher in what was then a very young Direct Market – I was just swept up by the story, the characters, the writing, and the artwork. So to have a chance to take on something that meant so much to me is huge.

DE: Who is Captain Victory? What traits have stayed true from Kirby's initial inception through later incarnations?

JC: I'd like to think we've stayed very true to Kirby's original intentions for the character, which was that he's the greatest, most capable Galactic Ranger there is, completely dedicated to his duty. The fact that he can be killed in action and then brought back as an exact clone replica is a testament to that sense of duty. But there's also a tragic aspect to that state-of-the-art procedure that we'll be exploring in the new series. We're definitely taking what Kirby set up and pushing it in new directions.

DE: What can you tell us about the Galactic Rangers, characters like Major Klavus, Lt. Orca, and Tarin?

JC: Hey, don't forget about Mister Mind! He's just as important as the rest of them, y'know. It's funny how people tend to forget that the original Kirby run only lasted for 13 issues and a one-shot special. So it's not like there was a ton of development done on the supporting characters. Kirby laid down the basics, but it's been very cool going deeper into Klavus, Orca, and Tarin. All of them will get their glory moments.

DE: There's a veritable "Who's Who" of artists assigned to CAPTAIN VICTORY. What can you tell us about how the different artistic talent will be used to convey the narrative?

JC: Well, the easy joke is that it takes an army of cutting edge artists to make up for one Jack Kirby. But, the fact is, that's exactly what we have. All of these guys – Nathan Fox, Jim Rugg, Ulises Farinas, Michel Fiffe, Jim Mahfood, Farel Dalrymple, Benjamin Marra, Connor Willumsen – have unique, personal styles that will be on full display in this series. It's all one big story with different artists pitching in on different issues. It's a very organic way of storytelling, with everyone contributing their strengths for what we hope is a greater good.

DE: CAPTAIN VICTORY has always been a story that is equal parts human story and cosmic scope. Without giving away spoilers, what are your thoughts on balancing those elements?

JC: Hopefully, the balance is inherent in the concept itself, the way Kirby originally set it all up. What we're trying to do is pump up the intensity on both sides. The cosmic aspects will be as far out and as imaginative as we can go, and the human elements will be as emotional and packed with drama as we can make them. We've been referring to this series as a "next level" comic book, really trying to push the envelope on what a heroic, epic sci-fi comic book can be.

DE: Why will comic fans love the new CAPTAIN VICTORY?

JC: Because it's pure comics. In this world of Hollywood options and compromised ideals in a once pure art form, we still need comics that revel in being comics, that revel in doing what comics do best. That's what Jack Kirby was all about, that's what he represents to every generation that came after him. If we can blow readers' minds with this series, then I feel like that's the ultimate tribute.

editor's NOTE

EDITOR'S *note* People Who Know Your World EDITOR'S *note*

HEY KIDS, COMICS!

EDITOR'S *note*

Free Comic Book Day 2014 is another one for the history books as I write this, and if the rest of the country had as great a day as was had at *Cards, Comics & Collectibles*, in Reisterstown, MD — the store run by my pal, Baltimore Comic Con promoter Marc Nathan — then it was by far our best yet.

Celebrating his 30 anniversary in business, Marc once again invited a great group of creators to meet and greet customers on the first Saturday in May. Marc's guests included J.G. Jones, Don Rosa, Todd Dezago, Craig Rousseau, Steve Conley, John Gallagher, and Frank Cho, who signed autographs and knocked out sketches for fans, young and old alike.

There were plenty of folks in attendance, among them plenty of kids, many enjoying their first introduction to comics. Which is really what FCBD is all about, right?

In that spirit, we're celebrating *Kids Comics* month throughout the month of June in Previews and on our family of websites and social media sites. We always stress that "*Kids Comics"* doesn't mean ONLY for kids… these titles are perfect for any reader, regardless of age, and our coverage in ***PREVIEWS*** hopes to draw your attention to this kind of material.

We've got an overview of recommended titles beginning on page 244 of this issue, and once you see what's there, you'll see that "all-ages" doesn't necessarily mean for kids only. You'll find these and many more titles throughout this issue, just look for the Kids Comics icon! Also, in line with Kids Comics month, we've got two different Indie Edge features, profiling two of today's top all-ages creators: Kazu Kibuishi, creator of the *Amulet* and *Flight* series (see page 15!), and James Kochalka, creator of *Dragon Puncher*, *Glorkian Warrior*, and *Johnny Boo*! You'll find our extra-size profile of James on the FlipSide of this issue!

So, whether you have young readers in your life, or you're just looking for something fun to read, this month's issue is filled to the brim with possibilities!

Your Pal @ ***PREVIEWS***,

Marty

USER'S guide

At first glance, *PREVIEWS* can be overwhelming because it's packed with tons of cool stuff. But there's a rhyme and reason to this mag-a-log and here's how to use it!

You now hold in your hands the latest issue of *PREVIEWS*, the monthly mag-alog dedicated to comics, graphic novels, toys and other pop-culture merchandise. If it's in your comic shop, it's in the page of *PREVIEWS*!

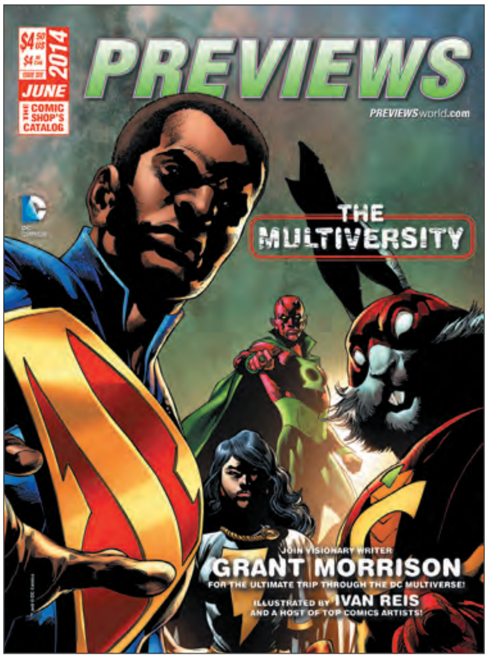
PREMIER COMICS BOOKS MAGAZINES TRADINGCARDS APPAREL MERCHANDISE GAMES VIDEOS

What is *PREVIEWS*?

PREVIEWS is part magazine, part catalog—a "mag-alog" of all comics and pop-culture merchandise found at your local comic shop.

We've broken down the product listings by easy-to-understand sec-tions: Comics & Graphic Novels; Books; Trading Cards; Toys, Statues & Models, and more.

Each month, you'll find detailed listings for almost every comic book and pop-culture product that will be available in comic shops in 2 months. So, if you're looking at the April issue of *PREVIEWS*, most items will be in comic shops sometime in June.



How do I order from *PREVIEWS*?

Ordering from ***PREVIEWS*** is is easy! There are **3** simple ways to order:

1 Use the Short Order Form.
Fill in with the items you'd like to order from this issue.

2 Ask for the companion Customer Order Form.
We offer a companion order form that features a complete listing of every product offered in that month's issue of ***PREVIEWS***. Fill out what you want to order and hand in to your comic shop by the due date on the cover!

3 Ask your retailer about their "Pull & Hold" service.
Many retailers offer a "pull & hold" or subscription service where you can order your monthly comics and merchandise easily. They'll hold your orders for you and you can pick up your items when it's convenient for you! Be sure to ask your retailer to give you a copy or ***PREVIEWS***, Marvel ***PREVIEWS***, and the ***PREVIEWS*** Customer Order Form each month so you can place your orders easily!

KAZUkibuishiKAZUkibuishiKAZUkibuishiKAZUkibuishiKAZUkibuishiKAZUkibuishiKAZUkibuishi

This month's featured creator is...

KAZU KIBUISHI

Photo Credit: Gordon Luk

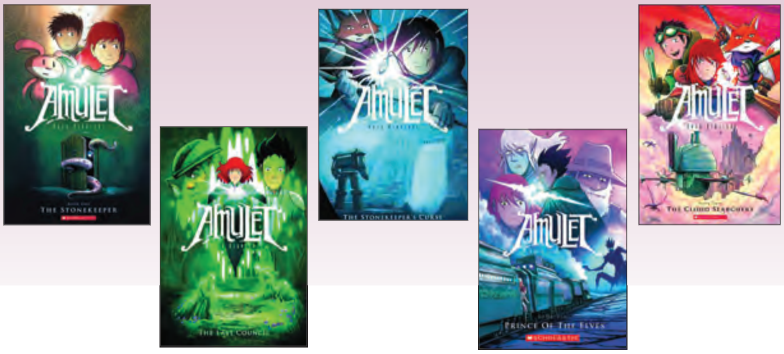
Please tell us a bit about yourself!

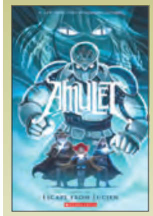
My name is **Kazu Kibuishi**. I'm the creator of *Amulet* for Scholastic/Graphix and *Explorer* for Abrams ComicArts. I also created *Copper, Daisy Kutter* and the *Flight* anthologies. I've been drawing comics ever since I could remember picking up a pencil thanks to the influence of *MAD Magazine*, *Garfield*, and manga.

What are your favorite projects you've contributed to over the past decade?

My favorite project has definitely been the *Amulet* series!

Amulet Vol. 1: Stonekeeper GN (APR128211)
Amulet Vol. 2: Stonekeeper's Curse GN (MAR128292)
Amulet Vol. 3: Cloud Searchers GN (AUG118100)
Amulet Vol. 4: Last Council GN (NOV118145)
Amulet Vol. 5: Prince of the Elves GN (JUN121162)

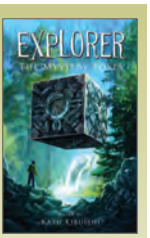




What are you currently working on? What can readers expect from your new book *Amulet 6*?

I'm currently finishing up *Explorer 3: The Hidden Doors* and I'm about to begin work on the seventh *Amulet* book. In *Amulet 6: Escape from Lucien*, readers can expect big environments, high technology, magic, and fast-paced action as the characters journey from the clouds to an underground world, battling the Elf King's forces and forming new alliances.

Explorer Vol. 1: Mystery Boxes GN (NOV110700)
Explorer Vol. 2: Lost Islands GN (AUG130948)



What fun titles are you reading? Are there any kid's comics that you would recommend?

I absolutely loved reading Raina Telgemeier's *Sisters* (See Page 349!), one of the best books I've read in a while! Another book I read recently is Gene Luen Yang's *Boxers* (JUL131151) and *Saints* (JUL131152), which is fantastic. The box set (JUL131153) that it comes in is also very nice. First Second did a great job on those books, and they also published another one of my recent favorites, *Battling Boy* (SC: AUG131327; HC: AUG131328) by Paul Pope.

The hunt for the Watcher's assassin has shaken the Marvel Universe to its core! Long-buried secrets have been revealed. Unlikely alliances have been formed. Issues of trust have divided old friends. This August, the mystery of Uatu's murder comes to a head in Jason Aaron and Mike Deodato's grand finale, *Original Sin* #8!

The pursuit of Uatu's assassin and the investigation into his murder has revealed the secrets of the Marvel Universe, some devastating, others revelatory. The quest has led Earth's heroes from the moon to deep space, pitting them against unknown enemies, ancient evils, and even themselves.

Now the final battle awaits. Some want vengeance. Others seek justice. A few want only the truth. The road Earth's heroes have trod has been a long, difficult, and draining one, and there is still one secret to be revealed — who killed the Watcher?

Original Sin comes to its explosive conclusion in August's *Original Sin* #8. Jason Aaron and Mike Deodato continue their powerful work for the oversized finale. A springboard for new series in the fall and beyond, *Original Sin* will radically shift the status quo for many characters, and the series promises an ending that will have Marvel Comics fans talking for years!

No Marvel Comics fan will want to miss the answer to all the riddles. Find out who murdered the Watcher this August in *Original Sin* #8!

In a career that has spanned fifty years, cartoonist Jules Feiffer finds there are still creative mountains to climb as he publishes his first graphic novel this August, *Kill My Mother*! A crime noir tale in the style of Hammett and Chandler, Feiffer's *Kill My Mother* is a tale of a daughter, a lost mother, and the dissipated private eye who comes into their lives and needs a little redemption. *Kill My Mother* is crime noir at its finest, and it could only come from the pen of Jules Feiffer!

HOLLYWOOD KEEPS ITS SECRETS IN A NEW CRIME COMIC FROM IMAGE

Ed Brubaker and Sean Phillips have established themselves as modern practioners of the crime comic, first with *Criminal* for Marvel's Icon imprint and again with Image Comics' *Fatale*. This August they return to Image with a new crime series, *The Fade Out*, that promises to break new creative ground!

Hollywood in the 1940s was a playground of moguls and starlets, a city of secrets, a city of dreams. Beneath the veneer of opulence and the flash of camera bulbs, writers were haunted by nightmares, starlets had secrets that could ruin the powerful, and the powerful were determined to keep the good times rolling. In the days after the end of the war, these combine in a powerful and toxic brew. Some people will pay the price for their hubris, no secret stays buried forever, and some parties are doomed to end.

Brubaker and Phillips signed a five-year deal with Image, with *The Fade Out* as their first book in the line. It's a heady brew of crime and corruption, and no fan of their work will want to miss it!

ONE OF COMICS' CLASSIC CHARACTERS MAKES HIS RETURN TO SLUMBERLAND

One of the earliest comic strips was Winsor McKay's *Little Nemo In Slumberland*. The titular Nemo would have fantastical adventures in the land of sleep; summoned by King Morpheus to be a playmate for his daughter, Nemo would travel into realms beyond imagining.

Nemo returns for new adventures in IDW Publishing's *Little Nemo: Return to Slumberland*, written by *Adventures in Oz*'s Eric Shanower and drawn by Locke & Key's Gabriel Rodriguez. The storytelling and artwork evoke the magic of McKay's original, and *Return to Slumberland* will send Nemo -- and his readers -- on amazing adventures into the land of dreams, beginning this August!

The biggest adventure in DC's history is here!

Join visionary writer Grant Morrison, today's most talented artists, and a cast of unforgettable characters from 52 alternative Earths of the known DC Multiverse!

Prepare to meet the Vampire League of Earth-43, the Justice Riders of Earth-18, Superdemon, Doc Fate, the super-sons of Superman and Batman, the rampaging Retaliators of Earth-8, the Atomic Knights of Justice, Dino-Cop, Sister Miracle, Lady Quark, the legion of Sivanas, the Nazi New Reichsmen of Earth-10 and the latest, greatest Super Hero of Earth-Prime: YOU!

Comprising six complete adventures – each set in a different parallel universe – plus a two-part framing story and a comprehensive guidebook to the many worlds of the Multiverse, THE MULTIVERSITY is more than just a multi-part comic-book series. It's a cosmos-spanning, soul-shaking experience that puts YOU on the frontline in the Battle for All Creation against the demonic destroyers known as the Gentry!

In issue #1, pencilled by superstar artist Ivan Reis (AQUAMAN, JUSTICE LEAGUE), President Superman of Earth-23 uncovers a threat to all Reality so apocalyptic it will take a team of incredible heroes from across the Multiverse to face it – including Captain Carrot, like you've never seen him before!

But even with a multitude of alternate worlds to choose from, where every variation is possible, can anyone hope to prevail against the onslaught of ultimate evil and undying hatred – in the unstoppable form of a one-time cosmic defender with unimaginable powers?!

Join us, if you dare, for the beginning of THE MULTIVERSITY!

GEM of the Month

Eric Shanower (w) • Gabriel Rodriguez (a & c)

FC • 32 pages | $3.99

*RETAILERS: SEE YOUR ORDER FORM FOR INCENTIVE INFORMATION.

An all-new, all-ages series full of magic and whimsy from award-winning creators **Eric Shanower** (*Adventures in Oz*) and **Gabriel Rodriguez** (*Locke & Key*)! Spinning out of **Winsor McKay**'s brilliant early 20th-century strip, *Little Nemo: Return to Slumberland* sees King Morpheus' daughter, in the Royal Palace of Slumberland, select her next-playmate: Nemo! Only Nemo has no interest in being anyone's playmate, dream or no dream!

CEREBUS: HIGH SOCIETY
DIGITAL AUDIO/VISUAL EXPERIENCE

Dave Sim (w & a) • Sim, Gerhard (c)

DVD SET • 7.5" x 5.5"
ISBN: 978-1-61377-969-9
$ 39.99

It's *Cerebus* brought to life (again) by creator **Dave Sim!**

Sim's masterwork, *Cerebus,* ran for 300 issues. Starting with issue #26, Cerebus got a taste of "High Society", a storyline that concluded with issue #50, and which critics and readers alike recognize as the point at which *Cerebus* became a vehicle for political commentary.

This multi-DVD set contains the entire DIGITAL AUDIO/VISUAL EXPERIENCE of *High Society* presented in a unique, immersive multi-media experience, with Dave Sim reading every issue in character… including music and sound effects. Along with each issue's presentation is a section of full Editorial Comments, also read by Dave.

Originally brought to life through the magic of Kickstarter, the HIGH SOCIETY DIGITAL AUDIO/VISUAL EXPERIENCE is ready for the *Cerebus* fan in your life.

WALTER SIMONSON MANHUNTER & OTHER STORIES: ARTIST'S EDITION

Archie Goodwin, Steve Gerber & more (w)
Walter Simonson (a & c)

BW • 176 Pages • 12" x 17"
ISBN: 978-1-63140-120-6
$ Please Inquire

Manhunter by **Archie Goodwin** and **Walter Simonson** was one of the most acclaimed series of the 1970s, winning numerous awards along the way—not bad for a backup feature that only ran seven episodes! This Artist's Edition presents the original run of *Manhunter*, as well as a stunning *Batman* story, *Dr. Fate*, *Metal Men*, and *Captain Fear* tales. A wealth of classic material by a classic artist, and with nearly every page shot from the gorgeous original art, courtesy of Simonson's personal archives!

WHAT IS AN ARTIST'S EDITION?

ARTIST'S EDITIONS ARE PRINTED THE SAME SIZE AS THE ORIGINAL ART. While appearing to be in black & white, each page has been scanned in COLOR to mimic as closely as possible the experience of viewing the actual original art—for example, you are able to clearly see paste-overs, blue pencils in the art, editorial notes, art corrections. Each page is printed the same size as drawn, and the paper selected is as close as possible to the original art board.

From **JOHN RAFFO,** writer of *Dragon: The Bruce Lee Story*, comes the fourth chapter of Darby Pop's sci-fi samurai epic – **THE 7TH SWORD.**

Six willing Swordsmen train intensely, desperate to defend their homeland from an approaching Warlord. But as talented a Kenjitsu as Daniel Cray is, passing on a lifetime of knowledge in just a few days proves an impossible task.

From writers **JACK LAMBERT, SCOTT MARDER** (*It's Always Sunny*), and **ROB ROSELL** (*It's Always Sunny, New Girl*) comes a quintessentially 80's action hero – FRANK DOBERANO (aka DOBERMAN) -- desperately trying (and failing) to navigate today's politically-correct law enforcement apparatus.

A murderer has been freed, having convinced the world that he is a changed man. But one cop will never believe... or forget. After a decade of self-imposed solitude in the wilds of Canada, Doberman has returned to seek vengeance. And beer. And women. And his favorite pretzels. Though, not necessarily in that order.

From the creative mind of 15-time Grammy Award winner, **Alicia Keys!**

Perfect companion to the interactive story-telling app *The Journals of Mama Mae & LeeLee.*

From the interactive story telling app The Journals of Mama Mae and LeeLee, *Blue Moon* is an inspirational and magical tale of discovery created by Grammy™ Award-winning artist **Alicia Keys**, and was inspired by her childhood relationship with her own grandmother.

Blue Moon introduces readers to young and imaginative LeeLee, who just moved to the big city, and her magical grandmother, Mama Mae. To help LeeLee adjust to her new home, Mama Mae tells her the story of Abey, a young Native American girl from the 17th century, and her adventurous yet magical evening when she too wasn't sure of her surroundings.

Filled with warmth, discovery, and powerful messages, *Blue Moon* provides a great example of overcoming fear and finding similarities in life despite differences of time or territory.

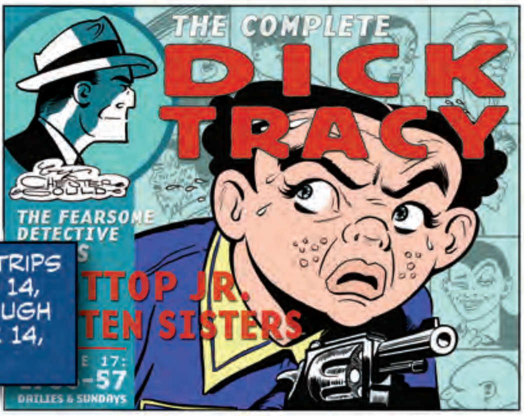
COMPLETE CHESTER GOULD'S DICK TRACY, VOL. 17



THE LIBRARY OF AMERICAN COMICS

REPRINTS STRIPS FROM MAY 14, 1956 THROUGH DECEMBER 14, 1957.

Chester Gould ups the ante in his assault on juvenile delinquency in the startling–and literally haunting– conclusion to the Flattop Jr. saga. Meanwhile, the squad room becomes co-ed when Lizz permanently joins the cast. Money remains the motivating factor for a new host of crazed villains, including, the Kitten Sisters; killer con men, the Clipso Brothers; two different spouse slayers; a notorious counterfeiter; and a "blind" drug pusher.

& ELIZABETH BREITWEISER

AUGUST 20
40 PAGES / FC / M
$3.50

The first project from their groundbreaking five-year deal at Image will have **ED BRUBAKER** and **SEAN PHILLIPS** fans, old and new, at the edge of their seats, as they weave an epic crime story unlike anything they've done before.

Hollywood - 1948. A noir film stuck in endless reshoots. A writer plagued with nightmares from the war and a dangerous secret. An up-and-coming starlet's suspicious death. And a maniacal Studio Mogul and his Security Chief who will do anything to keep the cameras rolling before the Post-War boom days come crashing down. **THE FADE OUT** is the most ambitious series yet from the award-winning Noir Masters.

Bonus: This 40-PAGE FIRST ISSUE features more story pages, as well as exclusive back pages articles that are only in these single issues!

GENIUS: ISSUES 1-5, WEEKLY THROUGHOUT AUGUST
The Winner of Top Cow's Pilot Season makes its triumphant return to print!

What if the greatest military mind of our generation was born to a people who are already supremely conditioned to wage war, who know nothing but violence since birth, and must continually adapt to new predators in order to survive? What if the second coming of Alexander the Great, of Genghis Khan, of Napoleon, of Patton...what if it was a teenaged girl from South Central, L.A. named Destiny? And what if she decides to secede three blocks of the 'Hood from the Union? Who is going to take it back from her and her army of gangbangers? Who CAN?
From writers **MARC BERNARDIN** and **ADAM FREEMAN** (Alphas, X-Men Origins: Nightcrawler, The Authority, The Highwaymen) and rising-star artist **AFUA RICHARDSON** comes a harrowing, action-packed tale of a city that declares war on a brilliant young woman pushed to the edge.

PHOEBE AND HER UNICORN GN

(W/A/CA) Dana Simpson

It all started when Phoebe skipped a rock across a pond and accidentally hit a unicorn in the face. Improbably, this led to Phoebe being granted one wish, and she used it to make the unicorn, Marigold Heavenly Nostrils, her obligational best friend. But can a vain mythical beast and a nine-year-old daydreamer really forge a connection? Indeed they can, and that's how *Phoebe and Her Unicorn* unfolds. Through hilarious adventures where Phoebe gets to bask in Marigold's "awesomeness," the friends also come to acknowledge that they had been lonely before they met and truly appreciate the bond they now share. MICHAEL TURNER'S FATHOM: KILLIAN'S TIDE MINI-SERIES FINALLY COLLECTED FOR THE FIRST TIME!

Discover the treacherous origin of Killian, Fathom's original villain-turned-Elite Commander of the Blue! Years before the events of Fathom Volume 1 and his failed attempt to convert Aspen Matthews, a much younger Killian learned the true nature of rebelling against the Blue's resident Elite Council, as well as what it takes to motivate others to his cause–including his lover and future wife, Anya. However, the youthful dissident soon realizes the tremendous cost of such insolence–and the bloody sacrifice that follows! Including the sold out Killians Tide mini-series and the one-shot follow-up to this acclaimed story arc, "Killian's Vessel," this is a must-have for any Fathom fan!

CROSSED: WISH YOU WERE HERE VOL 04

Cover: Jacen Burrows
Writer: Simon Spurrier
Art: Fernando Melek
MR, Color, 144 pages

Trade Paperback: $19.99
Hardcover: $27.99

About: Si Spurrier unleashes the epic conclusion to the longest and most intense Crossed story ever! The island was a safe place. Sure there were petty politics, strife, and discontent, but that was life on Cava. Now the destruction of the American drift fleet opens the eyes of the petty and the jealous. And what of the strange Crossed Nun that is tied to Shaky's past? Is she a savior holding back the Crossed berserkers from their eventual urges to pillage? Or is she a demon waiting for the moment to strike? Hell is coming for the island survivors and no place is safe from the monsters in its wake. In a world without help and without hope... there is only the Crossed. This volume collects the and final chapter of the hit online web comic Crossed: Wish You Were Here. Also available in hardcover, with a new cover by Jacen Burrows.

BLACK SQUIRREL BOOKS

THE COMPLETE FUNKY WINKERBEAN VOLUME 2: 1976-1977 HC
(W/A/CA) Tom Batiuk
Funky Winkerbean has chronicled the lives of a group of students from the fictitious Westview High School. This second volume, which presents strips from 1975 through 1977, sees the comic strip rounding into the form that will carry it into its middle years. With gentle humor and not-so-gentle puns, Les, Funky, Crazy Harry, and the gang comment on life's little absurdities. *Volume 2* includes an introduction in which Tom Batiuk shares the creative and evolutionary processes in his development of these characters. STRIKE FOUR!: THE CRANKSHAFT BASEBALL BOOK TP
(W) Tom Batiuk (A/CA) Chuck Ayers
The Toledo Mud Hens, a farm team for the Detroit Tigers, once had a budding pitcher named Ed Crankshaft. At least that's how partners in cartooning, writer Tom Batiuk and artist Chuck Ayers, scripted the main character in *Crankshaft*. This enjoyable volume collects all of Crankshaft's baseball-themed exploits. *Strike Four! The Crankshaft Baseball Book* allows Batiuk and Ayers to explore a man's life and humorously and touchingly to examine how only barely touching the brass ring shaped it — and left him a little cranky. KILL MY MOTHER
LIVERIGHT / WW Norton

Before anything else, a big "Thank You" to Jules Feiffer and my uncle. My uncle for giving me the October issue of *Playboy* back in 1965 (or at least part of that issue), and Feiffer for the article on "The Great Comic Book Heroes" which introduced me to The Spirit, Plastic Man, and so many more comics beyond the local spinner rack.

While "The Great Comic Book Heroes" was more than enough to make Feiffer a must read, I found a treasure trove of his books in the second hand stores and Brandeis book fairs I frequented. Feiffer's art style seems to combine a free flowing almost graphic stream of conscience and graphic story telling made books like *Passionella*, *The Explainers*, and *Sick Sick Sick* my alternative/indie comics before I was aware of their existence.

After years of plays, novels, children's books, and classic work like illustrating *The Phantom Tollbooth*, Jules Feiffer has returned to his comic book roots.

An original graphic novel from WW Norton's Liveright imprint, *Kill My Mother* allows Feiffer to tell a story that is all crime noir as he channels film noir, Eisner's *The Spirit* with a splash of Chandler , Hammett and, for me, a bit of Spillane and Shakespeare while making the book totally Feiffer.

Kill My Mother is a graphic novel that I fully expect will be on every major graphic novel best of list and lead to yet another award for the Pulitzer Prize and Oscar winning author, Jules Feiffer.

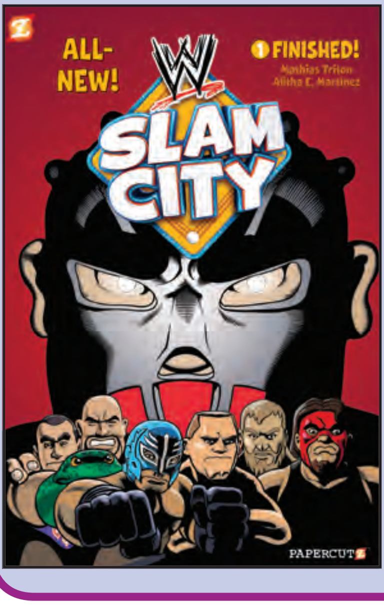
SLAM CITY: FINISHED
Papercutz



Based on the toy line-turned-cartoon, *Slam City: Finished* expands on the events of the claymation shorts that pose the question: "What would Superstars do if they weren't wrestlers?"

When the nefarious Finisher (a masked villain who has taken over Vince McMahon's office) starts firing Superstars, they must venture out into the city to find new jobs. Now John Cena gives "attitude adjustments" to cars, Kane uses his hellfire to reheat cafeteria food, and Rey Mysterio 619's anyone who doesn't regard his crossing guard sign.

What will make this series enjoyable for WWE fans of any age is its inability to take itself seriously. Bonus: see if you can find the *Spaceballs* reference.

> WHY WE LOVE IT

FAIRY QUEST is the passion project of Paul Jenkins and Humberto Ramos, the team behind ***REVELATIONS*** and a legendary run on ***SPECTACULAR SPIDER-MAN***. They have put their heart, love, and creative wonder into this groundbreaking series, and we're excited to explore more of the world of Fablewood!

> WHY YOU'LL LOVE IT

We all grew up reading fairy tales. We all love fairy tales! But if you enjoy your fairy tales with a twist like ***FABLES***, ***FAIREST***, or ***ONCE UPON A TIME***, ***FAIRY QUEST*** is the perfect series for you. Plus, Paul and Humberto have already made the fans their co-publishers with a successful Kickstarter.

> WHAT IT'S ABOUT

The adventures of Red and Woof have only just begun. In Fablewood, all of the stories that have ever been told live side-by-side. But it is an evil place, overseen by the awful Mister Grimm and his cadre of Think Police. Red and Woof want to escape to a world where their friendship isn't prohibited, but nothing can prepare them for what lies ahead in the Dark Forest.

A FEW WORDS WITH MICHAEL ALAN NELSON

You first created *HEXED* in 2008. How does it feel to be back writing another *HEXED* story?

MICHAEL ALAN NELSON: It feels utterly fantastic. I've been waiting to tell more stories in the *HEXED* universe ever since, so I am thrilled to have the opportunity to do so.

Will this story pick up right after where the first series ended? Or will some time have elapsed?

MAN: Some time will have elapsed. Lucifer's relationship with Val will have grown and we'll get to see some new additions to Lucifer's circle of, well, acquaintances.

For people new to *HEXED*, will they be able to enjoy this series without having read the first one?

MAN: Absolutely. That's one thing we've been very conscious of. We want new readers to be able to come in cold and enjoy the story while still giving fans of the series something new and exciting.

The last time you wrote *HEXED*, you worked with then-unknown artist Emma Rios. Now you are working with another newcomer, Dan Mora. What is it like getting to work with fresh, new talent?

MAN: It's very exciting. The biggest joy for me as a comics writer is when the art comes in. And when you have a new talent like Dan or Emma (who is now a deservedly bonafide rock star), it's even more special because you're not quite sure what to expect. And I'm always pleasantly surprised. The art always looks better than what I had envisioned in my head.

At the end of the first arc of *HEXED*, you introduced a major new player in Lucifer's life: Madame Cymbaline, one of the kingpins of the supernatural underground. Who (or what) are the major threats in this new story?

MAN: Ah, that is a very good question. Madame Cymbaline is back in a big way, but she won't be alone. And as Lucifer tries to deal with Cymbaline, she'll find herself dealing with some other threats of her own making.

Will we see any other fan-favorite characters make their return, and what types of new faces might we see?

MAN: We'll see a return of Val in her maternal role as the head of the Brisendine Art Gallery and we'll definitely see the Harlot since she and Lucifer are inextricably linked. But there will be new characters as well, most notably Raina, an intern at the art gallery who doesn't find Lucifer nearly as charming as Val does. Raina and Lucifer have an abrasive professional relationship that will be pulled into interesting directions when they're forced to help one another.

> WHY WE LOVE IT

DAY MEN. 28 DAYS LATER. DINGO. Besides being one of our favorite writers, Michael Alan Nelson is one of the industry's preeminent voices in horror, and we couldn't be happier to be bringing back his fan-favorite creation ***HEXED*** for another dive into the depths of the Aether with an ongoing series!

> WHY YOU'LL LOVE IT

Lucifer is the perfect mash-up of Buffy the Vampire Slayer and Lara Croft. Plus, ***HEXED*** was ***PRETTY DEADLY*** and ***AMAZING SPIDER-MAN*** superstar Emma Rios' introduction to the American comics scene back in 2008, and new series artist Dan Mora is poised to continue the trend with his lyrical, horrific, and wholly unique take on Lucifer.

> WHAT IT'S ABOUT

Luci Jennifer Inacio Das Neves (most people just call her "Lucifer") is a supernatural thief-for-hire, stealing wondrous objects from the dark denizens of the netherworld for her mentor/mother figure, Val Brisendine. But when Lucifer accidentally unleashes a terrible evil from one of the paintings hanging in Val's art gallery, will any of the tricks up her sleeve be enough to stop it?

> WHY WE LOVE IT

STEVEN UNIVERSE is a show that captured our hearts almost immediately. We've been fans of Rebecca Sugar's from her work on ***ADVENTURE TIME*** for years and as the first lady to run her own show at Cartoon Network, we couldn't wait to collaborate with her!

> WHY YOU'LL LOVE IT

A comic about a boy and his friends living in a small beach community, who just happens to have magical powers and fight monsters on the side?! Fans of ***ADVENTURE TIME*** and ***SAILOR MOON*** are gonna dig this series presented in a zine-like format of mini-comics, recipes, games, and more!

> WHAT IT'S ABOUT

Steven really wants to enter the annual Beach City Bike Race but everyone else is a little worried. Steven just makes the cut-off for age, which means the other bikers will be a lot older than him. Connie agrees to help Steven the old-fashioned way through good ol' exercise but Garnet, Amethyst and Pearl have other plans...

CARBON GN
(W) Daniel Boyd (A/CA) Edi Guedes
What if there really was a Garden of Eden — a place with a history before the first people we know of, and a God before the one we now recognize? A civilization cursed and banished underground for breaking their own commandment — to live in balance with the Earth. When an evil coal operator discovers that the "sacred" carbon can burn forever, he will sacrifice the land and the people to extract the full deposit. After 30 years of failed attempts, covered up as fatal mining accidents, the coal baron has finally found a way to extract his riches. But in his final attempt he awakens and releases a hell the surface world cannot imagine. And the only thing that stands in the way of the end of the world as we know it is a disgraced, ex-pro baseball pitcher and a community of courageous coal miners. *Carbon* is a new take on Man, Earth, and the God we know. Or think we know. Fantasy? Maybe, maybe not. But for certain, *Carbon* returns to life in 2014! (STK646733)

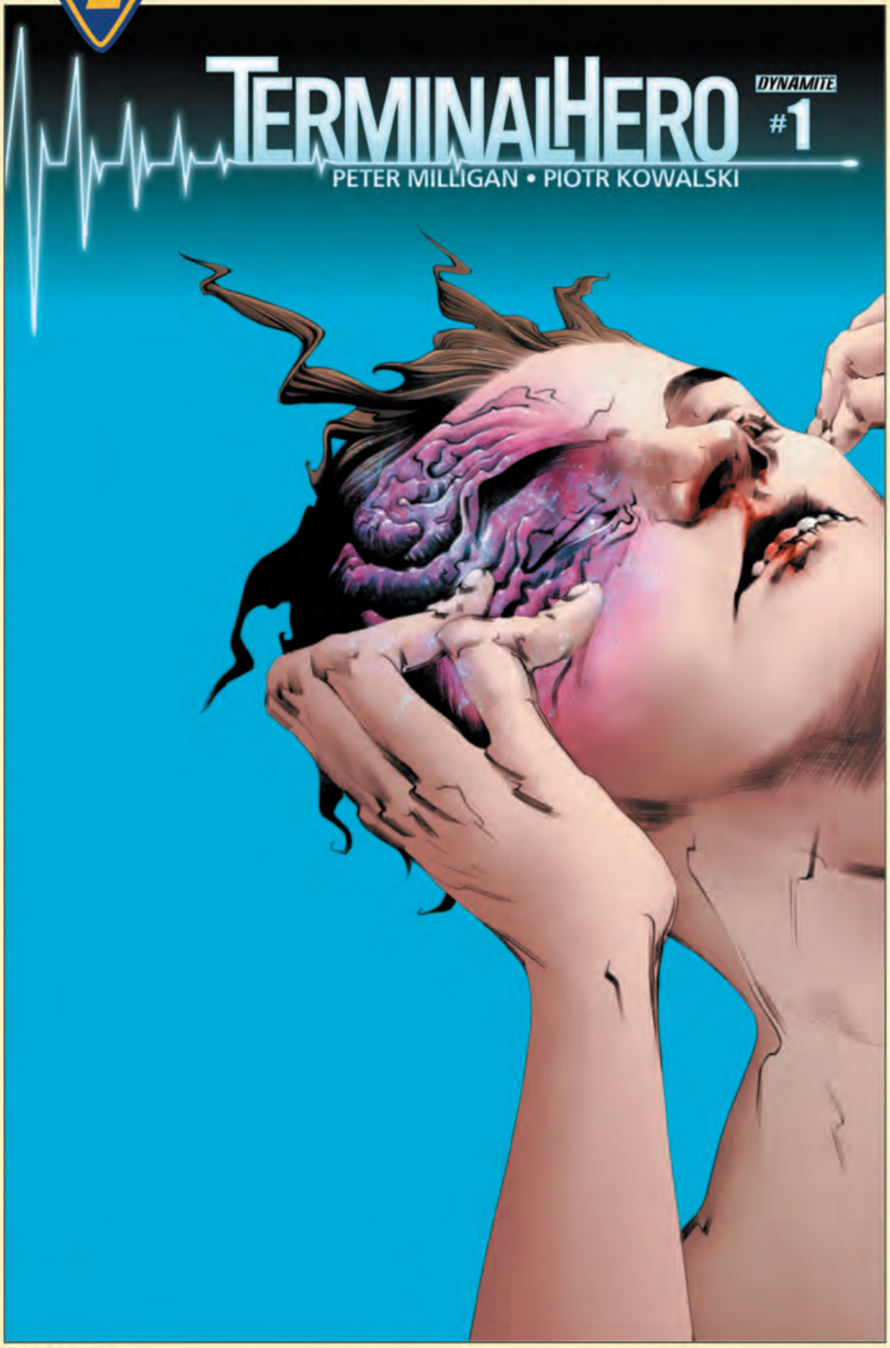
DYNAMITE®

TERMINAL HERO #1



Jae Lee cover

DYNAMITE® CREATORS UNLEASHED!™

ONLY $2.99!

A NEW SERIES WRITTEN BY **PETER MILLIGAN**, *(HELLBLAZER)*

WITH ART BY **PIOTR KOWALSKI**, *(SEX)*

Peter Milligan (w) Piotr Kowalski (a) Jae Lee (c)
FC • 32 pages • $2.99 • Mature • 8/6

With Shade: The Changing Man, X-Statix, Doop and of course Hellblazer under his belt, Peter Milligan is now taking on Terminal Hero! Rory Fletcher is a good man. The problem is, he's dying of an inoperable brain tumor. And then his best friend introduces him to the mysterious Treatment Q. This strange and forbidden therapy might just save Rory's life. But its nightmarish side effects could make him question just how good he really is, and just how much he really does want to live.

WHAT IS TERMINAL HERO?

WRITER PETER MILLIGAN DISCUSSES HIS NEW SERIES FROM DYNAMITE ENTERTAINMENT

DYNAMITE ENTERTAINMENT: The main character of TERMINAL HERO, Rory Fletcher, is a real piece of work! What can you tell us about him?

PETER MILLIGAN: Oh, he's a piece of work all right! But when we meet first young Dr Rory Fletcher he's a good guy, an everyman, who has just received tragic news. He's dying of inoperable brain cancer. That, though, is only the BEGINNING of the story. And we soon see a whole different side to Rory.

Rory has one chance of staying alive. And that's the strange Treatment Q, developed by a maverick caleld Quigley several years back and banned by the UK government because of its nightmarish side-effects. Side-effects are the least of Rory's worries when he begins the treatment. But they soon show Rory a side to him he didn't think possible. Rory's about to find out how if the Treatment can cure him. AND he's about to discover how good he really is.

And when the side-effects get too bad he stumbles upon a VERY novel way of counteracting them, one that you won't find in any medical handbook.

DE: Obviously, Rory's wrestling with more than a few personal demons. Are there external threats that he has to face, as well? What can you tell us about them?

PM: "Personal demons" hardly begins to describe the psychological and physical horrors that Rory will face. But there ARE external threats too. When Rory begins taking the forbidden treatment he comes to the attention of intelligence agencies and a half dead human monster, both of whom think Rory can be of use to them.

DE: With all its violence and vices, we've got to ask: where did you draw the dark tone of TERMINAL HERO from? Any influences?

PM: Terminal Hero has been a strange experience. It began with a meditation on death and terminal illness (I assure you, the comic is NOT depressing!) after my guitar teacher developed a brain tumor. Being an epileptic I've always had a keen interest in the brain: how a tumor or blast of excessive neuronal activity can have such a profound effect on consciousness. Sometimes when I've come to after a seizure I've wondered what was going on in my brain while I "wasn't there". What was happening in the darkness?

I hope to God that what goes on in my darkness is nowhere near as dark or terrible as Rory but these were my opening thoughts and influences.

DE: When fans of your work look at the new TERMINAL HERO series, will they see parallels in theme or characterization?

PM: I'm sure there'll see my interest in big themes about identity, and the meaning of what it is to be a good person. The good people at Dynamite are incredibly supportive in allowing me to follow my own vision here, however dark or harrowing it might become.

I think my fans will also recognize my sometimes quite twisted sense of humor in Terminal Hero. Life, and even death, isn't all about horror and darkness. It's often funny, even when it doesn't mean to be. A sick, twisted tragi-comedy that we're all taking part in, whether we want to or not.

DE: Why will comic readers love TERMINAL HERO?

PM: While I was writing Terminal Hero, life around me seemed to respond in an unnerving and scary way, which I really believe injects the story with an unusual sense of honesty and realism, even when the weirdest stuff is going on.

It a classic story of a decent guy trying to overcome seemingly insuperable odds. Only to discover that the greatest obstacles to his deliverance reside in the dark corners of his own soul.

WHO ARE JUSTICE, INC.?

Three mysterious heroes with very different powers and conflicting methodologies are forced to band together as unlikely allies battling through the ranks of the undead in order to save America from the destruction of its latest technologies, as the very fabric of time is being torn asunder!

A. **Clark Savage, Jr.**, better known to the world as **"Doc Savage,"** is the seemingly ageless adventurer who represents the best a human can be, intellectually and physically. His compassion defines him as well as his life-long mission to benefit mankind.

B. **Kent Allard**, better known to the world as **"The Shadow,"** is a man, yet a seeming force of nature. Kent's physical and mental prowess, his skill with his weapons, and his network of loyal-to-the-death secret agents, makes him the judge, jury and executioner of men with evil lurking in their hearts.

C. **Richard Henry Benson**, better known to the world as **"The Avenger,"** is the 1939 hero whose existence is now based only on his unquenchable thirst for justice. Known as "The Walking Dead Man," he's perceived by those who encounter him as a modern-day zombie.

Best-Selling author Nancy Collins continues her epic run on Vampirella! After escaping the Witches Hammer--the Vatican's elite monster-killing squad, lead by Father Nicodemus--Vampirella's new-found ally, the Nosferatu known as Drago, reveals that the only way to lift the curse placed on her by Ethan Shroud that is slowly making her a living vessel for Umbra, Our Lady of Shadows and Bride of the Apocalypse, is for her to drink the blood of certain rare species of vampire. The first stop on their monster world tour is Thailand, where Vampirella must hunt down and kill a horrific creature known as the Krasue--which appears only at night as the head of a beautiful woman--attached to nothing but a heart, a pair of lungs and a mass of entrails!

EARTHLING GN

(W/A/CA) Aisha Franz

A finely wrought account of aliens and alienation in the suburbs. German cartoonist Aisha Franz's debut graphic novel details a few short days in the life of two sisters and their single mother. Set in a soulless suburb populated by block after block of identical row houses bordered by empty fields and an industrial no-man's land, *Earthling* explores the loneliness of everyday life through these women's struggle to come to terms with what the world expects of them. Drawn in deep grey pencil, *Earthling* is an atmospheric and haunting account of the inevitability of losing the dream worlds of childhood. (STK646549) (C: 0-0-1)

EVEN MORE BAD PARENTING ADVICE GN

(W/A/CA) Guy Delisle

Even More Bad Parenting Advice marks Guy Delisle's second foray into the world of offering bad advice to parents, and a second opportunity to express the minor frustrations and many joys of parenting. Delisle's skillful hand at illustration and ironic way with words, which helped to popularize his travelogues about daily life in faraway places, are just as much the stars here as he or his children are. Delisle celebrates the reality that parenting isn't all first steps and gold-starred report cards; it's stinky diapers and never-ending drives to the grocery store, too. (STK646551) (C: 0-0-1)

MOOMIN BUILDS A HOUSE GN

(W/A/CA) Tove Jansson

Another classic Moomin story reworked in full color, with a kid-proof but kid-friendly size, price, and format. After Mymble's family comes to visit the Moomins, her littlest and most badly behaved sister, Little My, is left behind. She promises to behave if she is given Moomin's bedroom; Moomin, tired of being forced out of his room, decides to build a house where all the rooms will belong to him. With Little My helping out, things are sure to go awry, but in the end, Moomin's housebuilding misadventures teach him the value of a home. (STK522716)

MOOMIN'S DESERT ISLAND GN

(W/A/CA) Tove Jansson

Another classic Moomin story reworked in full color, with a kid-proof but kid-friendly size, price, and format. After a disastrous helicopter ride through a thunderstorm, the entire Moomin family is stranded on a desert island—the very island their ancestors came from! They make the best of it, hunting for their supper, exploring mysterious tunnels, and salvaging items from a wrecked pirate ship (including the Mymble!), but their ancestors don't let them live in peace and quiet for too long. Soon the whole island will have to deal with the explosive consequences of their ancestors' misbehavior. (STK624815)

MOOMIN ON THE RIVIERA GN

(W/A/CA) Tove Jansson

As springtime dawns in Moominvalley and the first northern crocus opens, Moominpappa and Snorkmaiden, glamorized by the prospects of movie stars and gambling, insist the whole family take a trip down to the Riviera. Reluctantly Moomin and Moominmamma agree to go along, and the Moomins set off on a grand adventure, complete with butlers, luxury shops, indoor swimming pools, and duels at dawn. With their innocent curiosity about everything, the Moomins prove the perfect foil for the cynical, world-weary residents of the Riviera. (STK646550) (C: 0-0-1)

BURMA CHRONICLES GN

(W/A/CA) Guy Delisle

Burma is a country notorious for its use of concealment and isolation as social control, where scissors-wielding censors monitor the papers, the de facto leader of the opposition has been under decade-long house arrest, insurgent-controlled regions are effectively cut off from the world, and rumor is the most reliable source of current information. Guy Delisle turns his gaze to the everyday for a sense of the big picture. *The Burma Chronicles* is drawn with a minimal line, and interspersed with wordless vignettes and moments of Delisle's distinctive slapstick humor. SISTERS

Graphix /Scholastic Books

There is something always so wonderfully honest and beautiful about Raina Telgemeier's books. From her highly expressive art style to her refreshingly light-hearted and charming writing, when you read one of Raina's graphic novels, although you are reading her story—getting a small autobiographical glimpse into her childhood—there are so many delightful and nostalgic moments that truly make her experiences your own and her books an absolute pleasure to read.

Her newest graphic novel *Sisters* is no exception. Being an older sister myself, when I was reading Raina's tale about her baby sister being born and not being nearly as fun as she had imagined, I thought, "Man, I remember thinking that, too!" When I got to the parts about Raina's long road trips and household quarrels with her pesky sister who appeared to have been brought into this world solely to ruin her teenage life, I couldn't help but remember all the times my own sister drove me up the wall.

If you have siblings, you will absolutely be able relate to Raina's down-to-earth and humorous take on that unique family dynamic, but I don't believe that you need to be a sister (or brother) to enjoy this book. In fact, although *Sisters* reminds us of the tough (but wistfully fun) times with siblings, the book is also a wonderful story of a normal family with normal family experiences making the best of everything that life throws at them.

An undoubtedly delightful story, Raina also blends into the light-hearted moments, events, and experiences that are slightly somber, more contemplative, but seamlessly complementary and real. You walk away from *Sisters* with fond memories, but you also walk away with the feeling that you just read something important and reflective of moments in your own adult life. Raina Telgemeier writes a wonderful kid's graphic novel, but she also writes a wonderfully truthful story for adults and this is what makes her a one-of-a-kind voice in the industry today with books that everyone should read!

JERUSALEM: CHRONICLES FROM THE HOLY CITY HC

(W/A/CA) Guy Delisle

Guy Delisle expertly lays the groundwork for a cultural road map of contemporary Jerusalem, utilizing the classic stranger in a strange land point of view that made his other books required reading for understanding what daily life is like in cities few are able to travel to. In *Jerusalem: Chronicles from the Holy City*, Delisle explores the complexities of a city that represents so much to so many. When observing the Christian, Jewish, and Muslim populations that call Jerusalem home, Delisle's drawn line is both sensitive and fair, assuming nothing and drawing everything. PYONGYANG: A JOURNEY IN NORTH KOREA TP

(W/A/CA) Guy Delisle

Famously referred to as one of the "Axis of Evil" countries, North Korea remains one of the most secretive and mysterious nations in the world today, even after the death of Kim Jong-il. In early 2001 cartoonist Guy Delisle became one of the few Westerners to be allowed access to the fortress-like country. While living in the nation's capital for two months on a work visa for a French film animation company, Delisle observed what he was allowed to see of the culture and lives of the few North Koreans he encountered; his findings form the basis of this remarkable graphic novel. SHENZHEN: A TRAVELOGUE FROM CHINA SC

(W/A/CA) Guy Delisle

Shenzhen is entertainingly compact with Guy Delisle's observations of life in urban southern China, sealed off from the rest of the country by electric fences and armed guards. With a dry wit and a clean line, Delisle makes the most of his time spent in Asia overseeing outsourced production for a French animation company. He brings to life the quick pace of Shenzhen's crowded streets. By translating his fish-out-of-water experiences into accessible graphic novels, Delisle skillfully notes the differences between Western and Eastern cultures, while also conveying his compassion for the simple freedoms that escape his colleagues in the Communist state. A USER'S GUIDE TO NEGLECTFUL PARENTING GN (NEW PRINTING)

(W/A/CA) Guy Delisle

With *A User's Guide to Neglectful Parenting*, the dry humor that pervades Guy Delisle's landmark and praised graphic travelogues takes center stage. Quick, light vignettes play on the worries and cares any young parent might have, and offer wry solutions to the petty frustrations of being a dad who works from home. Readers The relationship between young child and all-too-irony-aware parent is beautifully done here, and Delisle's loose flowing style has been set free, creating a wonderful sense of motion throughout. *A User's Guide* is an intimate, offbeat look at the joys of parenting. HOW TO BE HAPPY
by Eleanor Davis
$24.99 / HC / 144 pgs / Color with 48 BW pgs / 7.5 x 9.75

Eleanor Davis is one of the finest cartoonists of her generation, and has been producing comics since the mid-2000s. *How to Be Happy* represents the best stories she's drawn for such connoisseurial venues as *Mome* and *Nobrow*, as well as her own self-publishing and web efforts. Davis achieves a rare, subtle poignancy in her narratives that are at once compelling and elusive, pregnant with mystery with a deeply satisfying emotional resonance.

WANDERING SON: VOLUME SEVEN
by Shimura Takako
$24.99 / HC / 200 pgs / BW / 7 x 9.25

Shimura Takako's critically acclaimed *Wandering Son* continues to explore gender identity among its cast of middle school students in our 7th volume. Nitori-kun gets his first signs of acne and Chiba-san and Nitori-kun are scouted by the theater club after the success of their gender-bending play, *The Rose of Versailles*. This Manga series about two middle schoolers wrestling with their gender identities has struck a deep chord with readers all over the world.

BUZ SAWYER VOL. 3: TYPHOONS AND HONEYMOONS
by Roy Crane; edited by Rick Norwood
$39.99 / HC / 224 pgs / BW / 9.25 x 9.25

The third installment in the rollicking adventures of bon vivant Buz Sawyer are brought vividly and gorgeously to life through creator Roy Crane's sure-footed writing and stunning storytelling. Swashbuckling Buz sally-forths once again on a series of adventures filled with knock-out women, brutal assassins, and extremely bad weather.

AN AGE OF LICENSE
by Lucy Knisley
$19.99 / 208 pgs / FC / 5.5 x 7.5

An Age of License is acclaimed cartoonist Lucy Knisley's (*French Milk*, *Relish*) comics travel memoir recounting her charming (and romantic!) adventures in Europe and Scandinavia. It's punctuated by whimsical visual devices, cute cats she meets along the way and drawings and descriptions of food that will make your mouth water. Knisley's experiences are also colored by anxieties about traveling alone and about her life and career—subjects that many young adults will relate to.

TARDI'S WWI: IT WAS THE WAR OF THE TRENCHES / GODDAMN THIS WAR! GIFT BOX SET
by Jacques Tardi, with Jean-Pierre Verney
$39.99 / Two-volume Slipcase / 260 pgs / PC / 8.25x 10.75

Jacques Tardi is responsible for the two acknowledged graphic novel masterpieces about World War I: *It Was the War of the Trenches* and *Goddamn This War!* To commemorate the 100th anniversary of the start of WWI, Fantagraphics is proud to release a two-volume boxed set collecting these two perennial classics. The first book focuses on the day to day of the grunts in the trenches and his second is told with a sense of outrage, gallows humor and impeccably scrupulous historical exactitude.

LOVE & ROCKETS NEW STORIES NO. 7
by Gilbert and Jaime Hernandez
$14.99 / SC / 100 pgs / BW / 7.25 x 10.5

The seventh volume of *Love and Rockets: New Stories* finds Gilbert and Jaime Hernandez writing and drawing at the top of their game. In Jaime's stories, Maggie and Hopey take a road trip to visit a "sick friend" while Ray visits some old sick friends of his own. Gilbert offers a suite of stories, including a sweeping epic of derring-do in which Fritz as Morgan Le Fey teams up with Aladdin; a WWII sci-fi thriller and "Daughters and Mothers and Daughters," in which flashbacks to Luba's mother Maria reveal how old secrets affect their family today.

SET TO SEA *New Softcover Edition!*

by Drew Weing

$16.99 / SC / 144 pgs / BW / 5.25 x 6.5

Fantagraphics proudly brings Drew Weing's hit nautical classic back into print. The central character of *Set to Sea* is a poet who writes paeans to the seafaring life. When he gets shanghaied aboard a clipper bound for Hong Kong, he finds the sailor's life a bit rougher than his fantasies, but he soon learns to love life on the sea. *Set to Sea* is part adventure, part maritime ballad. Every page is a single panel, every panel is a stunning illustration, every illustration a part of a larger whole that tells a story in the deft language of cartooning.

SPOTLIGHT ON

21: THE STORY OF ROBERTO CLEMENTE *New Softcover Edition!*

by Wilfred Santiago

$19.99 / SC / 200 pgs / FC / 6.25 x 8

Now available for the first time in paperback, Wilfred Santiago's instant classic *21: The Story of Roberto Clemente* is a human drama of courage, faith, and dignity, inspired by the life of the acclaimed Pittsburgh Pirates baseball star. *21* chronicles Clemente's life from his early days growing up in Puerto Rico, through the highlights of his career on the baseball field and his fundamental decency off of it. Santiago's inviting style combines realistic attention to detail and expressive cartooning to great effect.

PAUL KIRCHNER: THE BUS HC
(W/A/CA) Paul Kirchner
The bus comic strips were first published in 1978 in *Heavy Metal* magazine, where they appeared regularly for seven years. In six to eight mostly wordless panels, former Wally Woods' assistant Paul Kirchner takes readers through a tightly rendered surrealist world as experienced by a rotund bald man and a forever returning bus. In *The Bus,* fire hydrants come alive, buses choose to stray away from the law and the distant horizon might be just an arm's length away. In the 25 years since its original publication in 1987, this forgotten gem has never been republished. (STK645414) (C: 0-1-0) **NOTE:** Not available in France, Belgium, Canada, or Switzerland.

GIANT ROBOT WARRIOR MAINTENANCE CREW #1
Cosmic Times

As the old saying goes; those who can't do… do maintenance. In the flashy and exciting world of the future, giant robots, manned by a team of human pilots, are the only defense humanity has against extinction from alien forces. These robot pilots are heroes to the public, celebrities rivaling movie stars and professional sports players but not everyone is cut to sit in the pilot's chair. Some of us have to clean up after them.

Erica dreamed of becoming a robot pilot, saving the world and the rest of space just like the pilots she idolized growing up. Unfortunately, not everyone in the pilot program is selected and Erica suddenly found herself looking for a different career path. That's when Erica decided, the next best thing to piloting a robot would be riding in one as the maintenance crew who kept them running. With the guidance of Jeb, her supervisor, Erica will learn what it's really like to be a glorified "janitor" on a robot hurdling through space hitting every alien and asteroid along the way. It's far from floor moping and bolt tightening in Giant Robot Warrior Maintenance Crew, because, if a leaking reactor doesn't kill Erica, the ferocious, human-sized space parasites probably will.

Pacific Rim meets *The Office* as G.R.W.M.C. brings sci-fi humor and a blue-collar mentality to the romantic notion of space travel and the dirty jobs that make it all possible. Creators Nathan Hill and Mervyn McKoy make a very solid debut in ***PREVIEWS*** with this sleeper-hit mini-series that's definitely worth a read.

HOW THE WORLD WAS: A CALIFORNIA CHILDHOOD GN
(W/A/CA) Emmanual Guibert
In 1994, French cartoonist Emmanuel Guibert befriended an American veteran named Alan Cope and began creating his new friend's graphic biography. *Alan's War* was the surprising and moving result: the story of Cope's experiences as an American GI in France during World War II. *How the World Was* is Guibert's return to the life of his friend. Cope died several years ago, but Guibert kept working to commit his friend's story to paper. Cope grew up in California during the great depression, and this remarkable graphic novel details the little moments that make a young man's life, while capturing the scope of America during the great depression. O/A ALAN'S WAR GN
(W/A/CA) Emmanual Guibert
When Alan Cope was eighteen, he joined the army and went off to fight in World War II. Like every American, he felt a patriotic fervor burning in him after Japan's attack on Pearl Harbor. But he had little idea what he was getting into by enlisting. This graphic memoir tells the story of his life during wartime, of his journey from his home on the west coast to basic training in Kentucky to leave in New York City, to the battlefields of France, to the terrors of the Bulge and General Patton's drive on Germany and Prague. SISTERS

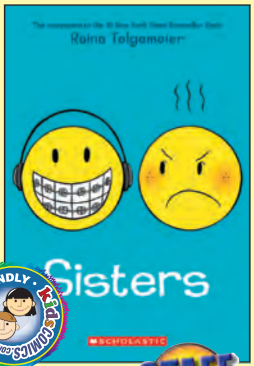
(W/A/CA) Raina Telgemeier



The companion to Raina Telgemeier's bestselling and Eisner Award-winning graphic memoir, *Smile*. Raina can't wait to be a big sister. But once Amara is born, things aren't quite how she expected them to be. Amara is cute, but she's also a cranky, grouchy baby, and mostly prefers to play by herself. Their relationship doesn't improve much over the years, but when a baby brother enters the picture and later, something doesn't seem right between their parents, they realize they must figure out how to get along. They are sisters, after all. Raina uses her signature humor and charm in both present-day narrative and perfectly placed flashbacks to tell the story of her relationship with her sister, which unfolds during the course of a road trip from their home in San Francisco to a family reunion in Colorado. ARSLAN

The Heroic Legend of Arslan 1

By Hiromu Arakawa; Original Story by Yoshiki Tanaka

August 19 • 208 pp • 13 and up • $10.99 US

Arslan is the teenaged prince of the ancient kingdom of Pars who doesn't seem to have what it takes to be a great ruler like his father, Andragoras III. A fateful encounter with a slave from the neighboring country of Lusitania leads Arslan to question the world outside of the royal capital's walls but before he can indulge his curiosity, war breaks out. Arslan is rushed off to his first war, only to see his kingdom crumble in front of his eyes. This series of events leads the young Arslan on a journey to reclaim his lost kingdom.

- An illustrated version of the retelling of the Persian epic of Amir Arsalan written by famed Japanese novelist Dr. Yoshiki Tanaka.
- The extremely popular novels previously spawned a thirteen-volume manga, two animated films, a series of OVAs, and a video game in Japan.
- Illustrated by the award-winning Hiromu Arakawa, the artist behind the mega-popular *Fullmetal Alchemist*.
- Featured in the same magazine that produced the smash-hit, *Attack on Titan*.

A must-read from two literary masters that you won't want to miss!

ATTACK ON TITAN: BEFORE THE FALL VOLUME 2 GN

(W) Isayama Hajime, Ryo Suzukaze
(A/CA) Satoshi Shiki
Humanity has been devastated by the bizarre, giant humanoids known as the Titans. Seemingly unintelligent, they have roamed the world killing off humankind for years. This prequel series to the main *Attack on Titan* series is set before humanity had the weapons to effectively combat the Titans, when the Survey Corps was nothing but a group of ambitious soldiers who dared to dream of combating the Titan menace. FOOD WARS GN
VIZ Media

Shonen manga, titles like *Naruto*, *One Piece*, and *Dragon Ball*, are all about finding your passion. Passion that grabs you with two mighty hands. Passion that makes you run hard. Run hard and far. Run towards the horizon—towards the burning sun, your shadow stretching out behind you in shape of the tallest human on the planet, all the while screaming defiance at any and all who would stand in your way because you are invincible and your spirit is ablaze!

This book's like that. But with food.

Consider a series that reads like *Slum Dog Millionaire* meets *Iron Chef*. Soma Yukihira is a kid from the wrong side of the tracks who's determined to surpass his father's legendary cooking ability and to taste just about everything life has to offer along the way. Erina Nakiri is head chef student and undisputed queen of her family's super-prestigious cooking school. These cooks clash in the kitchen as titans of taste, neither is willing to give an inch, and things are only getting hotter in this frisky food manga from Viz.

MONSTER SOUL VOLUME 2 GN
(W/A/CA) Hiro Mashima
In the Monster Soul world, a war was waged between humans and monsters, with the monsters falling on the losing end of a treaty. The peace between the monsters and humans is tenuous and monsters are frequently persecuted by humans. As a result, monsters tend to stay away from humans and keep a low profile. One group of monsters, known as the Black Airs, lives boldy with a purpose: to have fun and take care of each other. They get in to all kinds of trouble with reckless abandon, but as long as they stick together, they'll be all right — probably. HENRY AND GLENN FOREVER AND EVER TP
(W/A/CA) Tom Neely
The collected graphic novel of the greatest love story ever told features twenty short stories about the domestic life of "Henry" and "Glenn" as well as their neighbors "Daryl" and "John." Digging beneath Glenn's bricks in the front yard, Henry uncovers Glenn's mother, freshly unearthed, moves in with him and Henry. Without giving too much away, Glenn's mommy issues come to the surface as she critiques his art, replaces his wardrobe, scrubs their dungeon, and recalls his childhood. Henry and Glenn go to therapy together, battle an evil cult in the forest, and profess their love between dealing with repeated jealousy and normal relationship problems. It's a true testament to the power of love to overcome even the biggest, manliest egos of our time. (STK646118)

MASTERFUL MARKS: CARTOONIST WHO CHANGED THE WORLD

Simon & Schuster

Odds are if you are reading ***PREVIEWS*** you know who Jack Kirby is and you sure better know who Jerry Siegel and Joe Shuster are and if you don't put the ***PREVIEWS*** back on the shelf and go find a video game to play.

Simon & Schuster tend to tread lightly in the world of graphic novels but when they do it's a yeti-sized step. This month in the Books section a book edited and written by Monte Beauchamp, *Masterful Marks: Cartoonists Who Changed the World*.

This is the story of creators that go beyond the super hero and include those artists that expanded the worlds of graphic storytelling, animation, underground comics, Sunday funnies, magazines, and poster illustration.

Using graphic story telling we are treated to Siegel & Shuster and the creation of Superman by Ryan Heshka; unique illustrated bios on Edward Gorey, Windsor McKay, and Charles Schulz; Peter Kuper on Harvey Kurtzman; Drew Friedman on Robert Crumb; Arnold Roth on Al Hirschfeld; Denis Kitchen on Dr. Seuss. Also included are bios of Walt Disney, Herge, Rodolphe Topffer, Tezuka, and Hugh Hefner.

The style of the artwork brings an alternative feel to creators most would consider to be very mainstream. This book is a great blending of these various components of the comic book and graphic illustration fields.

Masterful Marks: Cartoonists Who Changed the World is a book any publisher would be glad to have published. As Simon and Schuster celebrates its 90th anniversary, it's so nice they gave us such a great present.

THE SMURFS ANTHOLOGY VOLUME 3 HC
(W) Peyo, Matt Murray
(A/CA) Peyo
One of Peyo's most iconic smurfs, the Astrosmurf, gets the deluxe *Anthology* treatment. Fifty years ago, mankind set off into outer space. Now, a smurf sets foot on another planet — or does he? Could it possibly be a smurfspiracy to fool Dreamy Smurf into becoming the Astrosmurf? Or has Dreamy Smurf gone where no Smurf has gone before? Also featuring "The Smurfs and the Howlibird" and "The Cursed Land," a Johan and Peewit story appearing here in a U.S. edition for the first time! The Smurfs have delighted us all with their silliness, bravery, heroism, and heart for over 50 years, and now we finally have a definitive collection of Peyo's original comics to see where it all began. A CENTAUR'S LIFE VOLUME 4 GN

(W/A/CA) Kei Murayama

Himeno is a sweet, shy girl, who like many teens her age, struggles with the trials and tribulations of attending high school. The difference is she's a centaur; but she's not alone. In fact, all of her classmates are supernatural creatures, sporting either horns, wings, tails, halos, or some other unearthly body appendage. Yet despite their fantastical natures, Himeno and her best friends — the dragon-winged Nozomi, and Kyoko with her spiraled horns — are down-to-earth, fun-loving teenagers who grapple with issues of life and love in a mostly normal daily school setting. GIRLS UND PANZER VOLUME 2 GN

(W) Girls & Panzer Projekt
(A/CA) Ryouichi Saitaniya

You may have heard of kung fu, but the girls at Oarai High School practice gun-fu — really, really *big* 75mm gun-fu, in fact. It's called Sensha-do, and it's the martial art of operating armored tanks! They take it seriously too, and since winning the national Sensha-do championship is such a huge deal at Oarai, they sometimes go to extreme ends in order to get the best students from Panzer class to sign up. They may not be on the half-track to fame and fortune, and maybe a few of them would rather shop for tank tops than become tops in tanks, but once their focus is locked and loaded, they're absolutely driven. Kazama Kenji thinks he's a delinquent. He's got the look, the style and the attitude to match — he even has a second-rate entourage of sorts. Deep down, however, Kazama is a good-hearted kid who finds himself and his loyal gang in over their heads when they stumble upon the Game Creation Club. The club's formidable members, Chitose, Sakura, Minami, and Roka, are four girls who he might actually be attracted to if they weren't so freaking weird. The girls claim to have otherworldly powers which they use to defeat Kazama's gang and force him to join their offbeat club. Can Kazama resist the girls' bizarre charms and return to some semblance of a normal, everyday life — or is it "game over" for our hapless hero? (STK645477) (C: 0-1-1)

DANCE IN THE VAMPIRE BUND: THE MEMORIES OF SLEDGE HAMMER VOLUME 3 GN

(W/A/CA) Nozomu Tamaki

Three months have passed since Princess Mina, queen of all vampires, has recaptured the Bund. The damage inflicted to vampire/human relations runs deep, but a peaceful postwar restoration is now underway. Yet appearances can be deceiving. Somebody is trying to kill government liaison Reiko Gotoh, but her lycanthrope bodyguard, Seiji Hama, is nowhere to be found. The mystery of Hama's whereabouts can only be solved by examining the past, when the ill-fated couple first met. The past may be the key to saving Gotoh in the present — and to the future of the Vampire Bund itself! (STK645482) (C: 0-1-0)

Story & Art by Norikazu **AKIRA**

Chihiro drifts through life with no purpose, going from girl to girl, until one day he finds an abandoned kitten in a box. He quickly falls in love with little Shiro and couldn't imagine his life without her. One evening, Chihiro finds Shiro has fallen ill. While searching aimlessly for an animal hospital, he runs into Kumazawa, a local vet who takes Shiro into his care. Watching Kumazawa in action, Chihiro realizes he wishes to learn the value of life and asks Kumazawa to consider hiring him at the vet clinic. Kumazawa agrees, but only if Chihiro serves as his live-in housekeeper. Has Chihiro finally found his purpose in life, or will living with the handsome vet be a little too much to handle?

TWISTED DARK GN
(W) Neil Gibson (A) Various
(CA) Caspar Wijngaard
The first volume in Neil Gibson's acclaimed series of twisted tales! This 200-page book contains 12 individual, unique and interrelated stories, featuring a varying cast of characters from 10-year-old girls to Colombian drug lords and everything in between. It's up to you the reader to find the connections between the stories — some which come easy, others whose connections will only become clear in later volumes. Designed for return-reading, author Neil Gibson describes the genre as psychological thriller, but the book contains horror, dark (at times demented) stories incorporating every human emotion, illegal activity, and brutal reality. Using various illustrators allows each story and character to develop their own form. Twisted Dark has been embraced by the comic book world receiving critical acclaim and a cult following. If you haven't read one yet, you don't know what you're missing! (STK646200)

EVIL INC. ANNUAL REPORT TP'S
This is not simply a collection of comic strips. Rather, I take the individual panels of the strips and lay out a continuous graphic novel. Since I do a storyline-driven comic, it reads smoothly from cover to cover, and since it's based on a daily humor strip, reading it in one volume lends it a rapid-fire sense of humor. (STK646229)

JOHNNY BOO ZOOMS TO THE MOON! (VOLUME 6) HC

(W/A/CA) James Kolchaka

Johnny Boo zooms to the moon on a star-powered skateboard, where he meets a spunky little girl ghost named Susie Boom. She has **BOOM** power, which is pretty darn loud. Luckily, the moon has ice cream. But oh no! It also has an ice cream monster, just like back on earth. This book fulfills the dreams of many of our young readers, who said they wanted Johnny Boo to visit the moon. And many others who wanted to see Johnny Boo ride a skateboard. They will all be delighted by this very silly adventure. (STK643007)

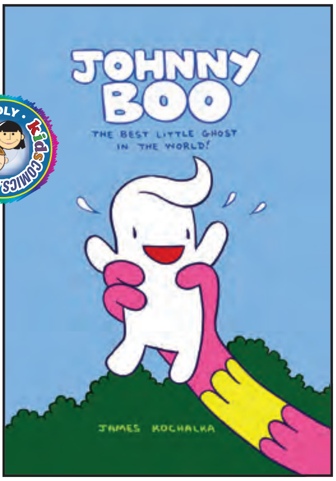
JOHNNY BOO HC'S

(W/A/CA) James Kochalka



Johnny Boo is the best little ghost in the whole world, because he's got Boo Power. This means that he can go "BOO" really loudly. His pet ghost named Squiggle has Squiggle Power, which means that he can fly and do really fast loop-the-loops. Together they have the world's greatest ghost adventures! They enthusiastically frolic and roughhouse, having ghost races and drinking melted ice cream, but they often accidently hurt each other's feelings, and have to comfort and console one another. When the giant pink and yellow Ice Cream Monster bumbles into their lives, they go into a mad panic ... until they discover that he's actually quite friendly. But even though he's friendly, he's also completely wild and unpredictable, and he impulsively swallows Squiggle whole. Some wild loop-the-loops from Squiggle inside his stomach cause a bout of uncontrollable burping, and the Ice Cream Monster burps Squiggle up unscathed. But now how do they stop the burping? Johnny Boo's Boo Power does the trick, of course. Everyone ends up happy, and delighted by the adventure they had together.

MARCH BOOK 1 GN (NEW PRINTING)

(W) John Lewis, Andrew Aydin (A/CA) Nate Powell

New Printing! As seen on *The Colbert Report* and CNN, this is the first graphic novel from a sitting member of Congress, Presidential Medal of Freedom recipient, and American icon. John Lewis rose from humble beginnings to become a national leader of the civil rights movement. This is his story, from an Alabama farm to the March on Washington and beyond, co-written by Andrew Aydin and brought to astonishing life by Nate Powell in a graphic novel trilogy. With a back cover blurb by President Bill Clinton! (STK529383)

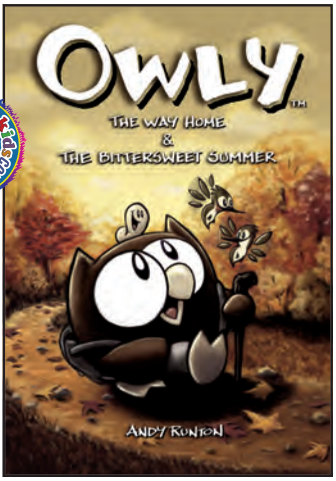
OWLY GN'S

(W/A/CA) Andy Runton



Owly is a kind, yet lonely, little owl who's always on the search for new friends and adventure. Owly discovers the meaning of friendship, and that saying goodbye doesn't always mean forever. Relying on a mixture of symbols, icons, and expressions to tell his silent stories, Runton's clean, animated, and heartwarming style makes it a perfect read for anyone who's a fan of Jeff Smith's *Bone* or Dav Pilkey's *Captain Underpants*.

PIRATE PENGUIN VS. NINJA CHICKEN HC
(W/A/CA) Ray Friesen
So what is this book about? It's about a Pirate Penguin named Pirate Penguin and a Ninja Chicken who isn't. They are the bestest of friends and also the worstest of enemies all at the same time. Sometimes their stories are really teeny, about stuff like ice cream or origami, and sometimes the story gets really epic-tastic, filled with spaceships and giant monsters and evil koalas and stuff. THE CLOCKWORK SKY VOLUME 2 GN
(W/A/CA) Madeleine Rosca
The conclusion to this exciting all-ages steampunk manga! Sally Peppers is the highly-curious, ambitious niece of steambot magnate Erasmus Croach, who has supplied Britain's factories with an endless supply of near-perfect robot employees — and his latest and greatest invention, the steambot police-boy, Sky. Sky is troubled by dreams where he, like Pinocchio, has become a "real boy." Then he meets Sally, who has run away from home, and together they venture into the tunnels beneath London in search of a missing child. Sally has always been a bit of a tinkerer and quickly figures out the terrifying truth about her uncle's magnificent steambot factory. But it might be too late; can Sally's wits and Sky's pure heart save the day? (STK645827)

DON HECK: A WORK OF ART HC
Don Heck remains one of comics' legendary names, considered an "artist's artist," respected by peers, and beloved by fans. Author John Coates has meticulously researched and chronicled information on Don's storied 40-year career, including his time at DC, Dell, Gold Key, and as "ghost" artist on Lee Falk's *The Phantom* newspaper strip. From personal recollections from Don's surviving family, long-time friends, and industry legends, to rare interviews with Heck himself, this book is full of insight into the early days of Marvel Comics. It also features an extensive art gallery, a Foreword by Stan Lee, and an Afterword by Beau Smith. (STK645654) (C: 0-1-2)

After being relegated to the realm of children's literature for the first 25 years of its history, the comic book industry experienced an unexpected flowering in the early 1960s. A celebration of that emergence, *Marvel Comics in the 1960s: An Issue-by-Issue Field Guide to a Pop Culture Phenomenon* takes the reader from the legendary company's first fumbling beginnings as helmed by savvy editor/writer Stan Lee (aided by such artists as Jack Kirby and Steve Ditko), to the full maturity of its wild, colorful, offbeat grandiosity. Black Rose ALICE

Story & Art by Setona Mizushiro

SERIES DEBUT!

Black Rose Alice
Vol. 1
by Setona Mizushiro

Dimitri Lewandoski is a celebrated tenor in early 1900s Vienna. When he is killed in an accident, his corpse is colonized by the seeds of a vampire master. At first, Dimitri denies that anything has changed, but as the people around him start dying, he is forced to accept the ghastly truth.

Flash-forward to 2008. In Tokyo, Azusa Kikukawa's troubled love life comes to an end with a fatal accident. Dimitri appears in her dying dreams with a diabolic proposal—he will save her lover if she agrees to become the breeding ground for the next generation of vampire seeds…

FINAL VOLUME!

To promote prosperity, a national law has been passed in Japan requiring a very small, randomly selected percentage of the population to be chosen to die. Between ages 18 and 24, the unfortunate citizens are given 24-hour notice of their impending deaths. Don't like it? You'd better keep it to yourself. Especially if you're the one charged with giving the bad news.

Here is the final volume of this dark and dramatic series!

Gangsta.
Vol. 3
by Kohske

Ergastulum is a tough town, a place where the rule of law takes a backseat to the law of violence, where Handymen like Nic and Worick make a living doing odd jobs from routine deliveries to extrajudicial killings. Discreet, ruthless, and efficient, the men are respected by both the police brass and the Mafia dons, but it took many long, hard years for them to make their names. Behind those years is the hidden history of how the scion of an elite family and a boy soldier of the Twilights ranks formed an improbable, unbreakable bond.

THE GODDESS OF LOVE RETURNS!

Writer LaToya Morgan (Showtime's SHAMELESS and AMC's TURN) joins the Zenescope team with a brand new, modern re-imagining of Greek mythology like you have never seen before.

The Greek and Roman gods of legend are real! They live amongst us, hiding in plain sight as humans. Some of these gods, such as Zeus and Athena, work to keep humanity safe from evil, while others are hell-bent on returning to the ways of old, when gods were worshipped. As the vengeful Venus sets in motion a plan to enslave humanity and have it bow to her power, two sides of an inevitable war will begin to form between the gods!

ART OF THE DEAD SC

(W) Phil Cushway
(A) Rick Griffin & Various
The Art of the Dead showcases the vibrant, charismatic poster art that emerged from the streets of San Francisco in 1964 and 1966. It traces the cultural, political, and historical influences of posters as art back to Japanese wood blocks through Bell Époque, on to the Beatniks, the Free Speech Movement, and the Acid Tests. The book uses Grateful Dead as the vehicle to tell the story of poster art as The Dead were the band that ultimately proved to be the most substantive and engaged partner for the artists and hence featured the best art of any rock 'n' roll band ever. The book will follow a chronological evolution of the art from the band's origination in 1965 through Jerry Garcia's death in 1995. MASTERFUL MARKS: CARTOONISTS WHO CHANGED THE WORLD HC

See pages FS-6 & 7

(W) Monte Beauchamp & Various (A) Ryan Heshka & Various

No one has told the story of comic art in its own medium, until now. In *Masterful Marks*, top illustrators reveal how sixteen visionary cartoonists overcame massive financial, political, and personal challenges to create a new form of art that now defines our world. Superhero comics didn't exist until two teenagers from Cleveland created the first superhero of all time: Superman. Advertising artist Theodor Geisel released his first book in 1937 as Dr. Seuss, and children's literature was never the same. Charles M. Schulz's perseverance and passion gave the world *Peanuts*, the world's most famous comic strip. Featuring these tales, and profiling other giants, *Masterful Marks* illustrates how graphic storytelling became such a rich and popular medium. (STK645880) (C: 0-1-0)

DC COMICS: VILLAINS – THE COMPLETE VISUAL HISTORY HC

(W) Daniel Wallace

As any comics fan knows, a super-hero is nothing without a worthy foe to battle. For every Batman there has to be a villain like the Joker, and for every Superman a Lex Luthor. This deluxe book celebrates nearly eighty years of compellingly corrupt characters from the DC Universe's remarkable gallery of super-villains. From the Penguin to Harley Quinn, and Doomsday to General Zod, *DC Comics: Villains* will track the creation of each of these beloved baddies and the dynamic way in which they have evolved throughout the years. SOUL OF THE DARK KNIGHT: BATMAN AS MYTHIC FIGURE IN COMICS AND FILM SC

(W) Alex M. Wainer

This is a book about the comics genre and language, how these were used to create Batman, and how that character's longevity is largely due to the medium's unique formal qualities. It argues that Batman's core appeal is his mythic nature which allows him to transcend changes in reader tastes, the vicissitudes of the comics industry, and the changing media landscape. It is a study of how the formal aspects of comics are able to evoke uniquely mythic qualities that have made Batman such a long-lived cultural phenomenon. (STK646225)

DOCTOR WHO: THE OFFICIAL GUIDE ON HOW TO BE A TIME LORD HC
The definitive guide on how to be a Time Lord, written by the eleventh Doctor as a secret gift for the twelfth. This ancient Time Lord manual has been kicking around the TARDIS for over 1200 years, giving the Doctor plenty of time to "improve" it with scribbles, doodles and post-it notes as a gift for his successor, the twelfth Doctor. He's even ripped out the middle of the book and replaced it with a scrapbook packed with everything important to our hero, and how to be just like him! So if you have ever wondered if you'd cut it in the Time Lord Academy, how to fly the TARDIS, or the correct way to dip a fish finger into custard, this is the book for you! DOCTOR WHO: THE FIFTH DOCTOR BOXED SET AUDIO CD
(W) Jonathan Morris (CA) Damien May
Two brand new stories featuring the fifth Doctor and his companions. Shortly after surviving the perils of Logopolis, Castrovalva and the machinations of the Master, the new Doctor and his new crew could be forgiven for wanting to take a breather from their tour of the galaxy. But when the TARDIS lands in a strange and unsettling environment, the urge to explore is irresistible — and trouble is only a few steps away. Then, the house on Fleming's Island had been left to rot. Ever since a strange and unexplained death soon after it was built, and plagued with troubling rumours about what lurked there, it remained empty and ignored for decades until the Cult moved in. DOCTOR WHO: REVENGE OF THE SWARM AUDIO CD
(W) Jonathan Morris (CA) Tom Webster
A new adventure in time and space for the seventh Doctor, Ace, and Hector. The Doctor thought he had defeated the microscopic Nucleus of the Swarm in his fourth incarnation. He was wrong. It survived within the TARDIS, and now it has been brought back to Titan Base, to the point of its own creation. It has a plan that spans centuries, a plan which will result in the Nucleus becoming more powerful and larger than ever before. To defeat it, the Doctor, Ace and Hector must confront the Nucleus within its new domain — the computer world of the Hypernet, the information network crucial to the survival of the human empire. FAMOUS MONSTERS OF FILMLAND #275

Who you gonna call?! It's been 30 years since *Ghostbusters* hit theaters, and this August we'll chat with cast and crew-as well as remember the late, great Harold Ramis — as they reflect on the classic flick. Plus, it's time once again to revisit the *Planet of the Apes* series as we anticipate the release of the newest in the series, *Dawn of the Planet Of The Apes*. Plus, exclusive interviews with legendary artist Drew Struzan, Dave and Lou Elsey talk about their newest practical effects extravaganza *Wolves*, and much more! *Planet of the Apes* cover by Jason Edmiston. THE HOBBIT

THE HOBBIT: MACE OF AZOG THE DEFILER REPLICA

Thought to have been destroyed in the great battle between Orcs and Dwarves, Azog the Defiler has come forth once more, and he will stop at nothing to hunt down and destroy every last member of the company of Thorin Oakenshield. Azog's primary weapon is his war mace. A primitive but brutal weapon, the mace was constructed of wood, leather, cord, and rough forged steel. This replica is based on the prop and models used for the film. It is crafted in steel reinforced polyresin with precise attention to detailing. It is presented with a polystone wall mount featuring a graphic motif of Azog's tattoo scars. With a 12 13/16" head, the *Hobbit: Mace of Azog the Defiler* measures 40" overall. WARHAMMER 40K: GREY KNIGHTS OMNIBUS SC

(W) Ben Counter
A thick omnibus edition collecting the novels, *Grey Knights*, *Dark Adeptus*, and *Hammer of Daemons* from the popular *Warhammer 40K: Grey Knights* series! In the wake of Horus's betrayal, the Imperium created a new force to defend against the threat of the daemonic: the Grey Knights. Armored in faith and armed with the most potent weapons of mankind, these Space Marines stand between humanity and the infernal denizens of the warp. Justicar Alaric is one such warrior, the leader of a squad of these dedicated daemonhunters. When a daemon returns from a millennium of banishment determined to exact revenge upon the Grey Knights for its fall, Alaric is thrust into a war where weapons alone cannot bring victory — faith and will are the keys to survival. FLOWERS OF EVIL: COMPLETE COLLECTION

From Sentai Filmworks. Darkness lurks everywhere, in every human heart, and sometimes it takes just a second of weakness for it to take root. For Takao Kasuga, that germination begins when his obsession with his beautiful classmate Nanako meets the opportunity to "borrow" her used gym clothes. Unfortunately, his loathsome act of laundry theft is witnessed by Nakamura, the strange girl who sits behind him in class. Soon, Nakamura's own dark obsessions begin to hook their twisted tendrils into Takao's miserable existence. Blackmailed into a "contract" under the threat of having his guilt revealed to his entire class, the former bookworm who could spend hours reading Beaudelaire's "The Flowers of Evil" now finds himself entwined in Nakamura's growing fantasies as she leads him down the garden path to damnation. As their blossoming relationship becomes ever darker, even the seemingly innocent Nanako is pulled into the nightmare. Just what are Nakumura's ultimate plans, and will the increasingly trapped Takao really be willing to carry them out? What you sow, you must ultimately reap, and there's certain to be a harrowing harvest ahead in *Flowers of Evil*! Available in Blu-Ray and DVD formats. (STK646284) (C: 0-1-1)

GATCHAMAN CROWDS: COMPLETE COLLECTION

From Sentai Filmworks. For most of the residents of Tachikawa city, life seems to be perfectly normal. That's how it seems, but the truth, known only by a tiny select handful, is that this is a city at war. Every day, as the citizens go about their business, they are under attack by alien criminals and mysterious organizations seeking to conquer, enslave and destroy. But to combat these threats, a covert council has secretly selected certain individuals to serve as protectors. Wearing special suits that amplify latent powers hitherto unsuspected, they blend into the crowds and shadows, waiting until the call is given to fight again. They could be anyone: your neighbor; your best friend's mom; even high school students like Sugune Tachibana and recent college grad Joe Hibiki. And needless to say, schoolgirl artist Hajime Ichinose is probably the last person anyone would ever suspect of being a soldier entrusted with defending mankind. But she is, even if as the latest recruit she still has an awful lot of learning to do. Hiding like ninjas, powered by super-science, they are humanity's first and greatest line of defense. PHOTO KANO: COMPLETE COLLECTION

From Sentai Filmworks. During Kazuya Maeda's first year of high school he felt like a nobody, just another forgotten face shuffling through the crowded hallways. Even his best friend from childhood, Nimi, seemed somehow more difficult to approach, since she had matured a little quicker in the unsettling way that girls have a habit of doing. However, this year, things will be different for Kazuya, and part of that change may just be because of the big new chick magnet hanging in front of him: The used digital SLR he just received from his dad! But will just having a camera be enough to make talking to girls a snap? Well, if he stays focused and proves to be good enough at making them look good, it might just be! And since it's digital, there are no negatives or having to wait for things to develop! Will Kazyuya's new stock-in-trade click with the most beautiful girls in school, or will his career as a lensman be just a flash in the pan? Find out as he goes for total exposure in *Photo Kano*! PROBLEM CHILDREN ARE COMING FROM ANOTHER WORLD, AREN'T THEY?: COMPLETE COLLECTION

From Sentai Filmworks. On the world known as Little Garden, factions and communities compete for power via Gift Games, in which individuals with unusual abilities are set against each other. But where there are winners, there are also losers, and the group called the "No Names" has been so devastated in their conflicts with the Demon Lords that almost all of their 120 remaining members are still children! For surviving leaders Jin and Black Rabbit there seems to be only one hope: Bring in outside recruits and gamble that their new abilities will somehow reverse the tide! Of course, Earth-born Izayoi, Asuka and Yo don't know any of this when they accept the invitation to come to Little Garden, nor do they know how dangerous the games actually are. Fortunately, all three are far more formidable than anyone can imagine. Still, before they can win the games, they'll have to learn how to work together and with the other No Names, and time is rapidly running out! The supernatural and the paranormal collide as the ultimate battle for power begins in *Problem Children Are Coming from Another World, Aren't They?* Available in Blu-Ray and DVD formats. THE SEVERING CRIME EDGE: COMPLETE COLLECTION

From Sentai Filmworks. Kiri Haimura loves cutting hair. Actually, he doesn't just love cutting hair, he obsesses over it and even has a special set of scissors he delights in using. But when his mane obsession for a bit of trim draws him to Iwai Mushanokoji, whose long hair has never been cut, he finds himself entangled in a situation no shears can hack him out of. You see, Iwai is heir to a strange curse that makes her hair impossible to cut. Or at least, it was until Kiri's clippers take off a lock, thereby revealing that his scissors are cursed as well! But now that she's shorn free, Iwai has a slew of "murderers" after her, each armed with their own cursed implements and eager for the chance to kill the "Hair Queen." And if that's not enough to make Kiri wig out, it seems that many of them actually attend his own school! Will this evil crew cut in on Kiri's Hair Queen, or will he snip their ambitions in the bud? The worst hair day ever turns into the ultimate series of close shaves, distressing situations and, yes, brushes with death in *The Severing Crime Edge*! Available in Blu-Ray and DVD formats. SASAMI-SAN AT GANBARANAI: COMPLETE COLLECTION

From Sentai Filmworks. In Japan, the term hikikomori is used to describe people who've become so socially withdrawn that they refuse to leave their homes for weeks and even months at a time. For Sasami Tsukuyomi, a shut-in attempting to pass her first year of high school, it's more than just a word. Fortunately, she lives with her older brother Kamiomi, who just happens to be a teacher at the exact school Sasami is supposed to attend. With the help of her "Brother Surveillance Tool," Sasami is able to view the outside world via her computer, theoretically allowing her to readjust to interacting with people once more. In reality, it reveals her brother's interactions with the three very odd Yagami sisters, whose looks and motives are deceiving, and have various types of interest in Kamiomi. That's when things start to get really weird... Magical powers? Everything turning into chocolate? Has life via the web warped Sasami's brain, or is it the universe that's going crazy? It looks like Sasami will have to take off her pajamas and go out into the real world to set things straight in *Sasami-san@Ganbaranai*! (STK646285) (C: 0-1-1)

MY TEEN ROMANTIC COMEDY - SNAFU: COMPLETE COLLECTION

From Sentai Filmworks. Opposites may attract, but putting them together can result in chemical burns, electric shocks, and explosions. Enter Hachiman Hikigaya, a pessimistic high school student with no friends, no interest in making any, and the firm belief that everyone else's cherished high school experiences are either delusions or outright lies. Hachiman finds himself coerced by his well-meaning student advisor into joining the one member Service Club. There he encounters club founder Yukino Yukinoshita, a smart, attractive, walking superiority complex who looks down on the entire student body. These two negative personalities are quick to attract Yui Yuigahama, who's cute, bright, cheerful, and needs the Service Club's help to... bake cookies? Is this a recipe for romance or the precursor for a nuclear meltdown? Will there be cookies, nookie, or a reason for everyone to play hooky? Get ready for rom-com gone totally wrong as the barrage a trois of the Service Club is unleashed on the unsuspecting student body in *My Teen Romantic Comedy - Snafu*! (STK646309) (C: 0-1-1)

TO LOVE-RU DARKNESS: COMPLETE COLLECTION

From Sentai Filmworks. As close encounters of the twisted kind between the residents of the planet Deviluke (represented primarily by the female members of the royal family) and the inhabitants of Earth (represented mainly by one very exhausted Rito Yuuki) continue to escalate, the situation spirals even further out of control. When junior princesses Nana and Momo transferred into Earth School where big sister Lala can (theoretically) keep an eye on them, things *should* be smooth sailing. But when Momo decides she'd like to "supplement" Rito's relationship with Lala with a little "sisterly love," you know Lala's not going to waste any time splitting harems. Unfortunately, it's just about that point that Yami, the Golden Darkness, enters the scene with all the subtleness of a supernova, along with an army of possessed high school students! All of which is certain to make Rito's life suck more than a black hole at the family picnic. Unless, of course, a certain semi-demonic princess can apply a little of her Devilukean Whoop Ass to exactly that portion of certain other heavenly bodies! It's "Wham, bam, thank you, Space Ma'am" time once again in *To Love Ru ~ Darkness*! Available in Blu-Ray and DVD formats. (STK646289) (C: 0-1-1)

From Sentai Filmworks. Everyone knows you can learn a lot on the internet, and some of it is even true. But if you want to know what's *really* going on and important, then there's just one place to go: the computer club! Okay, so maybe it's not the club itself, but the three girls you're most likely to find there. And maybe they do spend more time chatting about their social lives and debating things like the virtues of ketchup versus mayonnaise than they do learning about the ins and outs of a keyboard, but whatever they're up to, it's sure to put a smile on your face. So come learn what the mysterious YuiYukari Formula is all about and join serious Yui, hyperactive Yuzuko and lovable but not quite in touch with reality Yukari as they experience life's ups, downs, surprises, and occasionally, the internet in *Yuyushiki*! THE REAL DECAMERON

From One 7 Movies. Unbeknownst to their husbands, a group of really mischievous girls just want to have fun even though the men from the clergy and their legitimate husbands as well might have something to object to their desires. Therefore these girls are forced to use all their astute ruses in order to escape those who want to interfere in their right to have a few healthy jumps in the sack. Hot on the trails of Pasolini's *Decameron*, the sleazemeisters of Italo sexploitation unleashed a flood of similarly themed erotic sex comedies that held the Italian box-office hostage with its titillating crude politically incorrect jokes and the breathtaking raunchy beauty of its primadonnas. *The Real Decameron* stars Rosalba Neri of *Slaughter Hotel* fame, Christa Linder (Jack Hill's *Alien Terror*) and Orchidea De Santis (Rino Di Silvestro's *Red Light Girls*) and is a must see for devout fans of Euro Sexploitation. AMERICAN ARTIFACT: THE RISE OF AMERICAN ROCK POSTER ART

American Artifact chronicles the rise of American rock poster art since its birth in the '60s. Director Merle Becker crosses the country interviewing rock poster artists from the different eras to discover that America is currently in the midst of a 21st century "rock poster art movement", where thousands of artists around the country are doing silk screened rock poster art inspired by their local scene, the music of our time, and the spirit of our era. This extraordinary film, which includes interviews with over 30 artists, takes the viewer on a journey through the different decades and incarnations of this rebellious art form, and spends time with, arguably, some of the finest artists of this era talking about what inspired their truly American works of art. JODOROWSKY'S DUNE

From Sony Pictures Classics. Jodorowsky's Dune explores legendary cult film director Alejandro Jodorowsky (*El Topo, Holy Mountain, Santa Sangre*) and his staggeringly ambitious, yet ultimately doomed, mid-1970's film adaptation of the seminal science fiction novel *Dune*. The tale of Jodorowsky and his Dune is a fascinating trip through creativity and imagination, a story about the relentless pursuit of a dream, and the necessity of art. In pre-production for over two years, the film was to star Jodorowsky's own 12-year-old son Brontis alongside Orson Welles, Mick Jagger, David Carradine and even Salvador Dali, set to a musical score by Pink Floyd and art-design by some of the most provocative talents of the era, including H.R. Giger and Jean 'Moebius' Giraud. Available in Blu-Ray and DVD formats. (STK646650) (C: 0-1-2)

WEREWOLF (1977)

From One 7 Movies. Waldemar (Paul Naschy) is on its way on the Himalayan heights tracking down the legendary Yeti. Falling in the hands of beautiful cannibal nymphets, he's forced into a black magic ritual that puts the foul curse of the abominable werewolf on his body and soul. Torn between his scientific mind and the abysmal depths of the new savagery unleashed by the beast inside him, Waldemar finally meets the Yeti. Behold, the mighty Paul Naschy is back! *Werewolf* is without any doubt one the most outrageous shockers conceived by his feverish mind! Directed by Miguel Iglesias (1915-2012), the man behind lurid cults such as *Naked Killers* and *Presage*, *Werewolf* is an exercise in madness. A no holds barred action-horror flick that brings a new meaning to euro exploitation, it will wet all your desires and then some. Please fasten your seat-belt: for youíre invited for a ride that brings backs all the good old thrills for the heyday of long forgotten grindhouse classics! (STK646210) (C: 0-1-1)

PLASTIC GALAXY: THE STORY OF STAR WARS TOYS

From X-Ray Films. Plastic Galaxy. It begins *A Long Time Ago...* When *Star Wars* landed in theaters, it introduced audiences to a galaxy filled with heroes and villains, robots and spaceships, and a dizzying variety of alien life. But when the lights came up, they all disappeared... unless you had all the toys. In which case, the adventure never had to end! *Plastic Galaxy* is a documentary that explores the groundbreaking and breathtaking world of *Star Wars* toys. Through interviews with former Kenner employees, experts and authors like Steve Sansweet and Gus Lopez and, of course, collectors, it looks at the toy line's history, their influence, and the fond and fervent feelings they elicit today. *Plastic Galaxy* was produced and directed (and shot and edited!) by Brian Stillman, who, along with co-producer Karl Tate, spent more than three years working on the film. With help from a successful Kickstarter campaign, it was released this year on DVD, and is available on Amazon and select brick and mortar stores. The region-free DVD includes the 70-minute feature, as well as more than 40 minutes of extras: "Tiny Toys, Giant Disaster": The Star Wars Micro Line; Know Your Toy Lightsaber; The Art and Science of Kenner Prototypes; Steve Sansweet: The Secret Origin of a Record-Setting Collector. MYSTERY

SPOTLIGHT ON

TRUE DETECTIVE: SEASON ONE

From HBO. In 2012, Louisiana State Police Detectives Rust Cohle and Martin Hart are brought in to revisit a homicide case they worked in 1995. As the inquiry unfolds in present day through separate interrogations, the two former detectives narrate the story of their investigation, reopening old wounds, and drawing into question their supposed solving of a bizarre ritualistic murder in 1995. The timelines braid and converge in 2012 as each man is pulled back into a world they believed they'd left behind. In learning about each other and their killer, it becomes clear that darkness lives on both sides of the law. Written and created by Nic Pizzolatto (*The Killing*) and directed by Cary Fukunaga (*Sin Nombre, Jane Eyre*), *True Detective* stars Academy Award nominee Woody Harrelson as Martin Hart and Academy Award winner Matthew McConaughey as Rust Cohle. The series also stars Michelle Monaghan (*Mission: Impossible III*) as Maggie, Hart's wife; Kevin Dunn (*Veep*) as Major Quesada, the supervising officer in 1995; and Tory Kittles (*Sons of Anarchy*) and Michael Potts (*The Wire*) as Dets. Papania and Gilbough, the investigators now probing Hart and Cohle for answers. Available in Blu-Ray and DVD formats. (STK646239) (C: 0-1-1)

CREEPSHOW: ORIGINAL SOUNDTRACK

(A) Gary Pullin
From Waxwork Records. Waxwork Records is thrilled to announce their next LP release to the 1982 horror anthology classic, *Creepshow.* The film was directed by George A. Romero and written by Stephen King. The score was composed and performed by John Harrison (*Day Of The Dead, Tales From The Darkside*). This definitive release of the film score has never before been released. The original master tapes of the *Creepshow* film score were lost for over 30 years, but with the efforts of composer John Harrison and Waxwork Records, the tapes were located in the attic of Jeree Recording Studios in New Brighton, PA. The tapes remained in remarkable shape over the years and were re-mixed and re-mastered for vinyl. The *Creepshow* score has never sounded this good. (STK646205) (C: 0-1-1)

SOUNDTRACKS

CANNIBAL FEROX: ORIGINAL SOUNDTRACK

From One Way Static. Like many of the Italian cannibal films, this soundtrack is just as powerful and effective as the disturbing butchery. *Cannibal Ferox* features a soundtrack that is more 70s cop show than many of its counterparts. The use of funk guitar, bass, rock piano and synthesizer makes for a fun yet still powerful sound. It's 70s recklessness with an 80s sensibility, perfect for a film that rides the line between two decades. The bulk of the soundtrack was done by Budy-Maglione, a partnership of Roberto Donati and Fiamma Maglione (who also appears in the film). This pair was responsible for collaborating on such films as *Eaten Alive* (1980) and *Daughter of the Jungle* (1982). Cunningly stimulating and ferociously absorbing, Donati's soundtrack is an essential piece of the enigma that makes the film a pulse pounding inferno of death (STK646208) (C: 0-1-1)

THE GOOD, THE BAD & THE UGLY A.K.A. IL BUONO, IL BRUTTO E IL CATTIVO ORIGINAL SOUNDTRACK

From AMS Records. The Good, the Bad and the Ugly is neither more nor less than the perfect soundtrack to the most wonderful of western movies, the third and final act of the "Dollar Trilogy" directed by Sergio Leone. A film not only rated among the best of the genre, but universally considered among the most successful in the history of cinema. Ennio Morricone, a higher caliber composer to whom each musician usually relates with the simple title of "Master", has here been able to be as meticulous as the director, composing a soundtrack that fits brilliantly to the bombastic and epic atmospheres of the film. UNDER THE SKIN: ORIGINAL SOUNDTRACK

From Milan Records. Based on the novel by Michael Faber, Jonathan Glazer's new film follows the journey of a voluptuous woman (Scarlett Johansson) of unknown origin combing the highway in search of isolated or forsaken men. They are seduced, stripped of their humanity, and never heard from again. The music, which plays a critical role in the film and has been mentioned numerous times in reviews, is by British-born Mica Levi, known by her stage name Micachu. She is classically trained and is best known for her band Micachu & The Shapes and for experimental music in a variety of genres. (STK646187) (C: 0-1-1)

EDGE OF TOMORROW
From Warner Bros. Pictures. The epic action of *Edge of Tomorrow* unfolds in a near future in which an alien race has hit the Earth in an unrelenting assault, unbeatable by any military unit in the world. Lt. Col. Bill Cage (Cruise) is an officer who has never seen a day of combat when he is unceremoniously dropped into what amounts to a suicide mission. Killed within minutes, Cage now finds himself inexplicably thrown into a time loop—forcing him to live out the same brutal combat over and over, fighting and dying again… and again. But with each battle, Cage becomes able to engage the adversaries with increasing skill, alongside Special Forces warrior Rita Vrataski (Blunt). And, as Cage and Rita take the fight to the aliens, each repeated encounter gets them one step closer to defeating the enemy. Based on the acclaimed Viz novel *All You Need is Kill* by Hiroshi Sakurazaka. Combo Pack includes both Blu-Ray and DVD formats. Also available in standard DVD format. (STK646654) (C: 0-1-2)

ATTACK ON TITAN
EREN YEAGER
ARTFXJ STATUE

The next new addition to the ARTFXJ lineup is possibly the most popular anime and manga property in the world right now, Attack on Titan! Headlining the new ARTFXJ lineup is the series' main character **EREN YEAGER!**
Yeager leaps forward in mid-attack, swinging off of the tree at his base and reaching back with his dual swords to strike a huge blow! The defender of humanity wears his iconic Survey Corps uniform complete with the complex 3D Maneuver Gear, and the sculpt captures all of the intricate details of the mechanisms along with the subtle flow and wrinkling of his clothing.
Sculpted by Shin Tanabe, Eren Yeager is just under 10 ½ inches tall (1/8 scale) in his leaping pose atop the detailed georama base.

JAMES KOLCHALKA

INDIE EDGE EXTRA

Typically, our *Indie Edge* feature runs in the front of ***PREVIEWS*** most every month. And that's true even with this month's issue. However, since it's "Kids Comics Month" here at ***PREVIEWS***, we're giving some extra special, *Deluxe*, coverage of one of our favorite creators: **James Kolchalka**!

James made a splash with readers with his biographical daily diary strip, *American Elf*, beginning in 1998, and from there moved on to such diverse projects as his raunchy *SuperF*ckers* series, *Monkey vs. Robot*, and recording music with his band, *James Kolchalka Superstar*.

But since it is "Kids Comics Month", we'll be focusing on James' all-ages titles, *Dragon Puncher*, *Glorkian Warrior*, and *Johnny Boo*, which have garnered positive notice from readers of all ages.

Previews: James Kolchalka, please tell us a bit about yourself!

James Kolchalka: Well, gosh… there's almost too much to tell. My comic book career began in the mid-nineties with home-made minicomics. But I've also had a parallel career as a rock musician, with my band *James Kochalka Superstar*... and I've branched out into fine art, video game design (*Glorkian Warrior*), acting, animation... I just love making stuff, and living the creative life!

I was named the first "Cartoonist Laureate" of Vermont, which was just an indescribable honor. And I have two fantastic young sons with my lovely wife. Life is interesting and good, and I always have several projects going at once. The more I create the happier I am.

> I've probably gotten the most satisfaction out of working on my kid's book series... Because these books were all made as bedtime stories for my sons, and they've brought a lot of joy into our house.

P: What are your favorite projects you've contributed to over the past decade?

JK: *American Elf* (DEC063936), my daily diary comic strip, was super important... A major work by any definition. I also greatly enjoyed making the *Superf*ckers* animated cartoon series with Frederator. But I've probably gotten the most satisfaction out of working on my kid's book series... ***Dragon Puncher*** (FEB108450), ***Johnny Boo*** (OCT078665), and ***Glorkian Warrior*** (JAN141196). Because these books were all made as bedtime stories for my sons, and they've brought a lot of joy into our house. And I gather they've brought a lot of joy into the houses of other families too.

P: What are you currently working on? What can readers expect in this new volume of Johnny Boo?

JK: I just finished up a bunch of new creature designs for a major update to my ***Glorkian Warrior*** iOS game, and I'm about to start scripting the third ***Glorkian Warrior*** graphic novel. I'm also about half-way done inking a ***Dragon Puncher Meets Johnny Boo*** team-up book. I'm also serializing an adventure comic called ***Elf Cat*** in my local Burlington, Vermont newspaper, *Seven Days*. This week I began working on the pilot episode of a new animated cartoon series, but it don't know if I'm allowed to talk about it yet. Sorry!

I just put the finishing touches on ***Johnny Boo Zooms to the Moon*** (FEB148072), and sent it to the printer. The two major things my young readers always ask for is that they want to see Johnny Boo ride a skateboard, or go to the Moon. Oh, and a lot of kids say they wish there was a girl in the books. So in this book he rides a skateboard to the moon, and on the moon he makes a new friend... a sassy girl-ghost named Susie Boom. She has Boom power. He also runs into his old frenemy, the Ice Cream Monster, who's up there stealing moon ice cream. It's all pretty bonkers, as usual.

P: What fun titles are you currently reading? Are there any kid's comics that you would recommend?

JK: I read the *Sonic the Hedgehog* comics series each month (OCT120777)! They are amazingly complicated, with hundreds of characters and years and years of back story. I'm not sure if I would actually recommend them... but they are amazing in their own way. My sons and I really love them.
There's also a huge amount of great old comics being reprinted right now. *Moomin* (OCT131145), *Popeye* (DEC120394), and *Peanuts* (MAR141166) are the ones we like the best.

AMULET VOLUME 6: THE ESCAPE FROM LUCIAN SC

Graphix

Kazu Kibuishi (*Copper*, *Daisy Cutter*) is back with the newest installment of the *New York Times* bestselling graphic novel series: *Amulet!* After discovering a mysterious necklace in the library of her great-grandfather, Emily and her brother Navin are thrust into a quest to save their mother from a nasty tentacle monster that invades the basement of their new home and kidnaps her. In pursuit of the creature, Emily and Navin follow the monster into a fantastical alternate reality populated with talking animals, robots, demons, and humans who are locked a war with the Elves.

Now the stakes are raised as the war with the Elves heats up even more. Emily and Navin travel to Lucian. The city has been decimated in the conflict leaving it nothing but rubble. Casualties within the city are undoubtedly high. Will the two manage to make it out of the city alive with all of their friends more or less intact or will they fall prey to military might of the Elf King?

GIANT ROBOT WARRIOR MAINTENANCE CREW #1

Cosmic Times

In the flashy and exciting world of the future, giant robots, manned by human pilots, are the only defense humanity has against alien forces. These robot pilots are heroes to the public, celebrities rivaling movie stars and professional sports players, but not everyone is cut to sit in the pilot's chair.

Erica dreamed of becoming a robot pilot, saving the world just like the pilots she idolized growing up. Unfortunately, not everyone in the pilot program is selected and Erica suddenly found herself looking for a different career path. That's when Erica decided, the next best thing to piloting a robot would be riding in one as the maintenance crew who kept them running. It's far from floor moping and bolt tightening in Giant Robot Warrior Maintenance Crew because, if a leaking reactor doesn't kill Erica, the ferocious, human-sized space parasites probably will.

Pacific Rim meets *The Office* as *G.R.W.M.C.* brings sci-fi humor and a blue-collar mentality to the romantic notion of space travel and the dirty jobs that make it all possible.

FOOD WARS GN

VIZ Media

Shonen manga, titles like *Naruto*, *One Piece*, and *Dragon Ball*, are all about finding your passion. Passion that grabs you with two mighty hands. Passion that makes you run hard. Run hard and far. Run towards the horizon—towards the burning sun, your shadow stretching out behind you in shape of the tallest human on the planet, all the while screaming defiance at any and all who would stand in your way because you are invincible and your spirit is ablaze!

This book's like that. But with food.

Consider a series that reads like *Slum Dog Millionaire* meets *Iron Chef*. Soma Yukihira is a kid from the wrong side of the tracks who's determined to surpass his father's legendary cooking ability and to taste just about everything life has to offer along the way. Erina Nakiri is head chef student and undisputed queen of her family's super-prestigious cooking school. These cooks clash in the kitchen as titans of taste, neither is willing to give an inch, and things are only getting hotter in this frisky food manga from Viz.

KILL MY MOTHER

LIVERIGHT / WW Norton

Jules Feiffer's 1965 *Playboy* article on "The Great Comic Book Heroes" introduced me to The Spirit, Plastic Man, and so many more comics beyond the local spinner rack. Soon enough, I found a treasure trove of his books in the second hand stores and Brandeis book fairs I frequented. Feiffer's art style seems to combine a free flowing almost graphic stream of conscience and graphic story telling made books like *Passionella*, *The Explainers*, and *Sick Sick Sick* my alternative/indie comics before I was aware of their existence.

After years of plays, novels, children's books, and classic work like illustrating *The Phantom Tollbooth*, Jules Feiffer has returned to his comic book roots. An original graphic novel from WW Norton's Liveright imprint, *Kill My Mother* allows Feiffer to tell a story that is all crime noir as he channels film noir, Eisner's *The Spirit* with a splash of Chandler , Hammett and, for me, a bit of Spillane and Shakespeare while making the book totally Feiffer.

LITTLE NEMO: RETURN TO SLUMBERLAND #1

IDW Publishing

Following up from Winsor McCay's *Little Nemo in Slumberland* comes an all-new, all-ages comic series full of magic and whimsy! Being written by multiple Eisner Award-winning writer/artist Eric Shanower and along with Eisner-nominated artist Gabriel Rodriguez, the art team on the return of *Little Nemo* should be enough to make you want to pick it up and give it a read.

At the start of *Little Nemo: Return to Slumberland* King Morpheus is enlisting Bon-Bon the candy kid to find the princess of Slumberland a new playmate. Let the adventure begin for Little Nemo in Slumberland!

SISTERS

Scholastic Books

When you read one of Raina Telgemeier's graphic novels, although you are reading her story—getting a small autobiographical glimpse into her childhood—there are so many delightful and nostalgic moments that truly make her experiences your own and her books an absolute pleasure to read. Her newest graphic novel *Sisters* is no exception. Being an older sister myself, when I was reading Raina's tale about her baby sister being born and not being nearly as fun as she had imagined, I thought, "Man, I remember thinking that, too!" When I got to the parts about Raina's long road trips and household quarrels with her pesky sister who appeared to have been brought into this world solely to ruin her teenage life, I couldn't help but remember all the times my own sister drove me up the wall. In fact, although *Sisters* reminds us of the tough (but wistfully fun) times with siblings, the book is also a wonderful story of a normal family with normal family experiences making the best of everything that life throws at them.

MASTERFUL MARKS: CARTOONIST WHO CHANGED THE WORLD

Simon & Schuster

Simon & Schuster tend to tread lightly in the world of graphic novels but when they do it's a yeti-sized step. This month in the Books section a book edited and written by Monte Beauchamp, *Masterful Marks: Cartoonists Who Changed the World*. This is the story of creators that go beyond the super hero and include those artists that expanded the worlds of graphic storytelling, animation, underground comics, Sunday funnies, magazines, and poster illustration.

Using graphic story telling we are treated to Siegel & Shuster and the creation of Superman by Ryan Heshka as well as unique illustrated bios on Edward Gorey, Windsor McKay, Charles Schulz, Harvey Kurtzman, Robert Crumb, and many more. The style of the artwork brings an alternative feel to creators most would consider to be very mainstream. This book is a great blending of these various components of the comic book and graphic illustration fields.

Masterful Marks: Cartoonists Who Changed the World is a book any publisher would be glad to have published. As Simon and Schuster celebrates its 90th anniversary, it's so nice they gave us such a great present.

SLAM CITY: FINISHED

Papercutz

Based on the toy line-turned-cartoon, *Slam City: Finished* expands on the events of the claymation shorts that pose the question: "What would Superstars do if they weren't wrestlers?"

When the nefarious Finisher (a masked villain who has taken over Vince McMahon's office) starts firing Superstars, they must venture out into the city to find new jobs. Now John Cena gives "attitude adjustments" to cars, Kane uses his hellfire to reheat cafeteria food, and Rey Mysterio 619's anyone who doesn't regard his crossing guard sign.

What will make this series enjoyable for WWE fans of any age is its inability to take itself seriously. Bonus: see if you can find the Spaceballs reference.
